

Airthrey Spa Bowling Club - 2017

Ascot League

All members are invited to play in this internal Friday evening mixed triples league competition from end May/beginning of June to end of August.

Each team has a pool of players and players will not be required to play in every game. The team organiser will be responsible for consulting pool members and arranging team schedules. There is no entry fee for this and it is a very good social evening for all. There will be two or three quizzes held after play throughout the league. Please play in this competition if you can – we have had 8 teams in past years and this is a good number – we need 36 players from all sections of the club to make this possible.

Hundred Club

This is a fund raiser for our club. Each number costs £20 and once per month, during the season, at the supper on Gold Star Wednesday evenings two numbers are drawn. £100 to the winner and £25 to the runner up. You have better odds in this than the lottery and you are helping your club. Please take part. You can buy as many numbers as you like. Please indicate below the numbers, 1- 60, you would like to take. [If your choice is already taken another will be allocated to you.]
