

What's Wrong with Eating People? 33 More Perplexing Philosophy Puzzles

'Prepare to be amused, intrigued, delighted, and illuminated. You have been warned: this is Peter Cave, Britain's wittiest philosopher, on top form.'

Raymond Tallis, Emeritus Professor, University of Manchester.

'Energetic, highly entertaining, and delightfully thought-provoking.'

Adrian Moore, Professor of Philosophy, University of Oxford.

In this stunning sequel to last Christmas's bestselling philosophy hit, *Can a Robot be Human?*, Peter Cave once again engages the reader in a romp through the best bits of philosophical thought. With the aid of tall stories, jokes, common sense and bizarre insights, Cave tackles some of life's most important questions and introduces the puzzles that will keep you pondering throughout the night. *What's Wrong with Eating People?* is a smorgasbord, ranging from logic to ethics, art to politics to religion. It will provide a perfect gift for anyone who puzzles about the world!

'Delightfully written and fun to read. The writing is witty and eloquent and the puzzles are explored throughout with both common sense and wisdom.'

Anthony Ellis, Professor of Philosophy, Virginia Commonwealth University,

Editor, *Philosophical Books*.

'This charmingly witty and inventive collection of philosophical puzzles is bound to spark lively debates around the dinner table.' Rick Lewis, Editor, *Philosophy Now*.

'Cave is not just a very gifted philosopher, he's also clear, captivating and funny too.'

Stephen Law, Reader in Philosophy, University of London, Editor, *Think*.

'Provocative and lively. Few would fail to be stimulated by these puzzles.'

Oliver Leaman, Professor of Philosophy, University of Kentucky, author of *Asian Philosophy*, etc

Peter Cave lectures in philosophy for The Open University and City University, London. He frequently contributes to philosophy magazines and journals, from the serious to the fun, lectures around the world, and has scripted and presented philosophy programmes for the BBC.

What's Wrong with Eating People? is published by Oneworld, Oxford (2008) – and is available from Amazon, Waterstones, Blackwells, Foyles and all other good bookshops.
