As you are probably aware the replacement of kitchen and bathrooms on the Middlesex Street estate is underway and we would like to invite you to an exhibition on Wednesday 21<sup>st</sup> July between 2 – 7:30pm, which will be held at 228 Petticoat Square at podium level.

There will be before and after photos of the first completed bathrooms and kitchens. You can also look at the choices you have for your kitchen and bathroom. City of London and United House staff will be there to answer your questions.

We hope to see you there.
