## NEWSLETTER 5 FEBRUARY 2024

Welcome to our latest newsletter and the last one of the Spring 1 half term! There is lots happening over the next few months. Please see the Diary of Dates and keep checking ClassDojo for updates.

### Traffic Around School

We have received communication from the Parish Council requesting that we pass on concerns that have been raised with them relating to traffic problems on Church Street. Recently they have had requests to act regarding several vehicles exceeding the 20mph speed limit and it has been highlighted that these vehicles are “on the school run”. Please continue to be mindful of speed and parking restrictions around school – we are grateful for everyone’s co-operation.

### Wear Something Red Day - Friday 23 February 2024

Throughout the year Mrs Cowgill, along with her family, are raising money for Cardiomyopathy UK by completing 20 events/challenges to mark 20 years since the passing of her dad. Some of the fundraisers will be hard, some will be fun but most of all they want to spread awareness of the charity and the support they give children, young people and adults with life-limiting heart conditions. Cardiomyopathy UK provide support and information, campaign for better access to quality treatment, save lives through raising awareness and provide hope through shaping research.

In January Mrs Cowgill and her sister started off their fundraising by holding a Beetle Drive and have completed a London winter walking marathon. More information on the charity and their fundraising can be found via the JustGiving page <https://www.justgiving.com/page/erica-sowerbutts-1699481391580>.

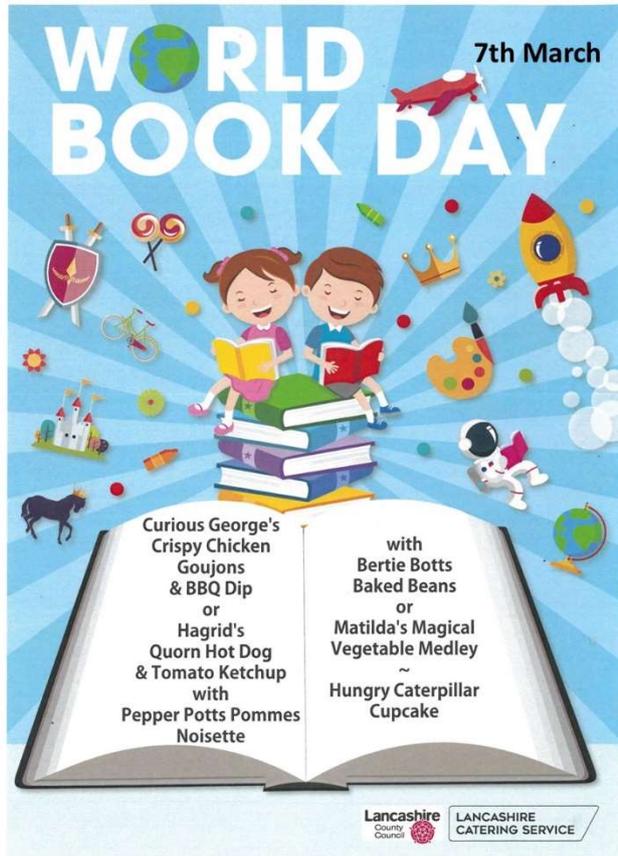

***As a school we would like to support Mrs Cowgill with her fundraising. In exchange for a £1 donation, which will go to Cardiomyopathy UK, everyone is invited to attend school on Friday 23<sup>rd</sup> February 2024 in non-uniform and in recognition of the charity you are encouraged to wear something red.***

**Ribchester and Hurst Green 1<sup>st</sup> Cub Scout Group is looking for new members!**

## **What do Cubs get up to?**

Being a Cub is all about growing and learning in small but mighty ways. Here are some of the things you'll get up to with your new friends.

---

---

### **Learning new skills**

---

Cubs learn by doing, and the skills you develop will be practical, like knowing how to cook a delicious meal or give someone first aid. Others will allow you to become a master at your chosen hobby!. But the most important skills you'll learn at Cubs are the ones that will make you feel confident and happy in your own skin. We call these character skills, and they include things like integrity – which means being honest and doing what you think is right – and initiative – which means knowing how to take the lead on something without being asked. Whatever skills you'd like to learn, it's all about having the courage to try new things.

---

---

### **Helping others**

---

Cubs work as a team to help other people. Together, you'll learn about global issues and what we can all do to help solve them. You'll also make an impact in your own community, through activities such as collecting donations for a food bank, or planting trees in a neighbouring park.

**If you have a child who is between 8 and 10.5 years old and think they would like to join our cubs group please don't hesitate to get in touch with one of us**

**Annie Scott 07771648999  
Bev Kershaw 07968 204803**

**We meet every term time Monday from 6.00-7.15pm**

**Membership is £45 per term**

**Our Venue is Hurst Green Village Hall**

Cubs is designed to be an accessible and affordable way for young people to learn lots of new skills through a single membership. Nobody should feel excluded from Cub activities because of money worries.

**Fancy becoming a leader yourself / helping out / being a parent volunteer for the session?**

There is an amazing online training system for adults who are supporting and helping to lead the group. Being a cub leader is not only very personally rewarding and lots of fun, but taking part can also support career possibilities, widen your horizons in other ways!
