

ARG

from the start

Mountain Rescue training Scotland

First trip to Svalbard

Ian Frearson is the one tastefully behind Jim, the big lad with the big grin.

Among Crevasses
in Alaska

ARG established
1988

First big ARG Expedition

Note the flags

Load carrying – the popular feature

CAMMARG Survey station & surge front

Mike “We have a visitor” Me “What colour?”

Round the clock

New marketing strategy with new Logo

Bernard & Old Mine

Cooking up a meal on moraine

only an idiot would
go there

Worst feeling in the World

Man's contribution

Contacting satellites

Construction & Gauging

Another year
AnotherGroup

Another location,
Another project

More new Youngsters for 1999

Best and Worst of a good walk

Most Recent Tragedy

Locals amongst the ice and other tragedies

Success
at last

Thank you and choose your people wisely
