

A 'Thank You' from the Chairman

It goes without saying, your Committee will continue to strive and ensure that the members are thoroughly entertained with a wide and varied program. I will start with: -

Dave Neale: Deputy Chairman, stand in Secretary, external Competition Secretary, and a particularly good source of knowledge. Dave spends hours working on external issues, collecting images, and ensuring we as a club have the best possible chance of gaining high marks in any competition we enter.

Alan Keen: You can see him on most camera club nights working the computer. Alan is our in-house Competition Secretary; he also makes sure that all members are kept fully up to date with all the news.

Mary Fish and Ivan Sedgwick; Joint Programme secretaries who work together to assemble the programme for the year and fill in the timetable to ensure we have a varied and interesting photographic programme for our weekly meetings.

Bob Fish: Treasurer and Media Publicity Manager. Bob records interesting facts and news about our club and sends the articles to the local newspapers. He is also the Minutes' Secretary for the Lincolnshire Photographic Association (LPA).

Lastly, I must thank Bob Hartland our past treasurer. Bob has fulfilled this post for many years, and he has informed us that he wishes to stand down from the Committee. It is with sadness that we say thank you Bob for your loyal service, we hope you will continue to be a member of the club and look forward to seeing you at the weekly meetings.

I also have to say a very big thank you to Simon Knight, Simon is not a committee member but has been an active member and helped out on many occasions, plus for many years he managed the club's website. However, he has informed the committee that unfortunately, he will no longer be able to fulfil this role. So, we say, 'thank you Simon.' We wish you well and hope to see you at our future meetings.

I trust you will all join me in thanking all Committee members for their efforts during what has been a very challenging year. However, we look forward to renewed interest and hope to see some great images in the coming months.

Your Chairman. George Fiddler
