

**Axholme Camera Club** is a friendly camera club, of about 45 members, based at Haxey Church Hall. As our name implies, the club covers the Isle of Axholme, and we have members from Haxey, Westwoodside, Epworth, Belton, Crowle, Owston Ferry, Wroot, and Gunthorpe. However, membership is not restricted, and we currently have members from Retford, Scunthorpe and Gainsborough. We meet once per week for most of the year with meetings once every two weeks through the summer months.

Our aim is to provide a friendly environment where members may discuss all aspects of photography, attend photography related talks and enter club and inter-club competitions.

The committee book external speakers to talk on a wide range of photographic subjects, some evenings club members give talks or lead practical evenings/demonstrations. The club is a member of both the North and East Midlands Photographic Federation and the Lincolnshire Photographic Association both of which provide a pool of both speakers and judges.

Each meeting starts at 7:30 p.m. and ends at 9:30 p.m. The meeting breaks halfway through for tea/coffee and a general chat.
