

8/22 Clerk's Report

The RoSPA Inspection of the Recreation Ground had been carried out. Report not received.

9/22 Highways

Local Highways Panel LUTT/182019

Revised traffic calming scheme proposal to Cllr Barker who has submitted it to the Panel for consideration.

Cllr Lander asked if the PC could look into a "noise pollution " sensor. Clerk to research.

10/22 Defibrillator

London Hearts are no longer offering free training. Cllrs agreed to approach Leaden Roding PC who were arranging another training session and had the hall to host it. High Roding PC to be contacted to see if they required training.

2. As Cllr Whittaker reported, the defibrillator is still showing low battery which may be a fault or a software issue. The supplier London Hearts has denied responsibility and the manufacturer has not responded.

3. Cllr Lander would arrange for her husband to test the battery.
