Congratulations on your recent Ofsted visit

Dear Alison

I would like to take this opportunity to congratulate you on the outcome of your recent Ofsted inspection which took place on 18 March 2021. I have just read the report prepared by Ofsted, which clearly records how you, your staff, school governors and parents have supported our children in Lancashire during these challenging times. This is great news and well worth celebrating.

I am pleased to see that most children are now back in school but also that you are continuing to successfully provide education to the few pupils who still have to learn at home because they are self-isolating, and that curriculum plans for pupils both working at home and at school closely resemble the usual curriculum. This has given all pupils the opportunity to develop and progress their learning.

Thank you once again for your commitment and dedication and please pass on my very best wishes to all your pupils, staff and governors.

Yours sincerely

Edwina Grant OBE
Executive Director of Education and Children's Services
