Re: Sadlers Farm Bridge Works

Dear Sir/Madam,

As part of the ongoing A13/A130 Sadlers Farm programme, Balfour Beatty will shortly carry out vital works to Sadlers Farm Bridge during the daytime, evenings and weekends.

Between 10pm Thursday 22nd July and 5am Monday 31st August 2020 the Eastbound A13 diverge between the main A13 and Sadlers Farm Roundabout will be under full road closure. The A13/130 main carriageway and link road under the Sadlers Farm Bridge heading towards Rayleigh will remain fully open and used as a diversion route.

The Eastbound A13 diverge will be closed so we can carry out some essential works to Sadlers Farm Bridge. During this time, our operatives will be accessing the site compound on London Road and this may result in some noise and disturbance. We shall undertake all reasonable measures to minimize the noise and disruption to you resulting from our plant and machinery. When not in use, all plant and machinery will be turned off.

We apologise for the inconvenience these night works may cause. Should you have any queries or require further information, please contact Lizzie Forbes, Project Communications Manager on 07540 336 917 or email lizzie.forbes@balfourbeatty.com.

For the latest news and information about the A13/A130 Sadlers Farm scheme, please visit our project web page: www.balfourbeatty.com/sadlersfarm.

If you have any comments or questions you can call our 24/7 helpline team free on: 0800 121 4444 or email: help@balfourbeatty.com.

Yours faithfully,

Lloyd Holliday
Project Director, A13/A130 Sadlers Farm scheme
