## From the Vicarage

Dear Friends,

This Lent, which begins on Ash Wednesday which is Wednesday 5<sup>th</sup> March, we are encouraged to put down deep roots of hope by connecting with God who is with us at all times.

The Church of England's Lent theme for 2025 is **Living Hope**. In Lent we journey with Jesus on the difficult and thorny road that leads all the way to the cross on Good Friday – and beyond, to the transformation of Easter Day.

God invites us to bring to him our own journey through everyday life. In the disappointment of daily setbacks and the pain of deeper hurts, we discover that God is present with us. And God promises a future where all things are healed and made new.

**Living Hope** offers us the opportunity to deepen our hope in God and be part of what God is doing to bring hope in the world.

The readings and reflections explore how we can have hope in times of frustration or uncertainty; the hope found in joining with others; the invitation to notice signs of hope around us; the courage to face reality and pursue a hopeful future; and the ways God transforms death into life at Easter.

The reflections have been written by **Cathrine Fungai Ngangira** and **Belle Tindall** – both contributors to [Wild Bright Hope: The Big Church Read Lent Book 2025](#) (SPCK) – together with **Victoria Mason**, Everyday Faith Editor for the Church of England.

These reflections will be available in a Church House Publishing booklet (published in January) and also in the [Everyday Faith app](#).

There will also be a daily challenge for children and families available as a booklet and in free digital form from February 2025.

God bless,

*Reverend Steven*

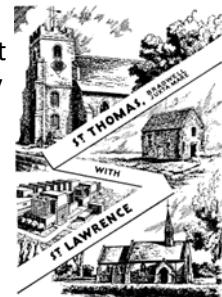

## March Village View

All copy for the March Village View should be sent to Roger Scurrell by phone (776341), posted through the letterbox of 6 St Thomas' Row, Bradwell, or by email to the address below, all by February 15th.

Copy may also be submitted as a text or Microsoft Word or Publisher file, either on CD or, better still, by email to [stthomas@btinternet.com](mailto:stthomas@btinternet.com). We ask you to limit your article to 300-350 words and please include a picture.

We apologise but no articles will be accepted after February 15th.

If you belong to an organisation that does not yet submit articles for the Village View we would like to hear from you even in longhand if you do not have access to a computer. Any news you have is always very welcome.

## CHILDREN'S SOCIETY HOME COLLECTION BOX

If you have a CHILDREN'S SOCIETY HOME COLLECTION BOX it is due for emptying NOW - please contact Eunice Siggins to arrange for your box to be emptied.

Contact Eunice also, if you do not have a home collection box and would like one  
THE CHILDREN'S SOCIETY ARE AIMING TO BUILD A WORLD WHERE CHILDREN CAN GROW UP 'SAFE, HAPPY AND HOPEFUL' AND ALL DONATIONS MAKE A DIFFERENCE, ARE IMPORTANT AND ARE WELCOME.

Contact Eunice on 01621 778904 to arrange

Many thanks. Eunice

## Prayer for February 2025

Dear Lord, February can be a trying month, but there are special associations too and we thank you for the hope they bring.

In February we remember how Jesus was taken, as a baby, to the Temple. Simeon took Him in his arms and by the power of the Holy Spirit, recognised Him as the Saviour you had sent as a light, to bring revelation to the whole world. And how this world needs your light and revelation in this new year, 2025.

Lord – as we notice more light in the lengthening days of this month, as we see the promise of the Spring in the bobbing heads of the beautiful snowdrops – help us most of all to recognise Jesus as our Light and to trust in Him as our Lord and Saviour.

Thank you, Lord, for the gift of each new day. In Jesus' name. Amen.

*By Daphne Kitching*

# Bradwell WI

Wednesday 8<sup>th</sup> January at the Village Hall

## Learning to sign with Brigid

Our January meeting saw our multi-talented member Brigid share her knowledge of British Sign Language (BSL) and Makaton with us, and what a fascinating evening it was! Brigid explained that sign language isn't just about hands—it's a combination of hand movements, lip reading, and facial expressions. You use your whole body, which makes it incredibly expressive. Brigid explained how its immersive nature is one of the reasons she incorporates it into worship. It truly becomes a whole experience.

The evening wasn't just about learning—it was about doing, too! Brigid taught us how to sign different animals, and we had great fun guessing each one. The highlight of the evening came when we all signed "Away in a Manger" together. The combination of movement and meaning gave the carol a whole new depth and made it feel especially moving.

It was a thoroughly enjoyable and thought-provoking evening. While we learned a lot, we weren't quite ready to take on "Jerusalem" just yet—but who knows what the future holds?

Our next meeting is on the 12th of February in the village hall, where we will be joined by Brian Carline for his talk, '*Soil, Sweat and Tears.*'

New members are always welcome; there is just a small fee of £5 for non-members, so please feel free to come along! If you have any questions about what we get up to, you can contact Sue Pirret on 07824696807 or [sue@dailygrindimports.com](mailto:sue@dailygrindimports.com)

*Alice Nightingale*

## The Othona Community

When you walk round the sea wall from St Peter's Chapel towards Bradwell Waterside, you will climb a few steps, then have the mud flats to your right and a thicket to your left.

Much of this thicket was planted in the 1970s and 1980s, with other planting around the upper field to provide screening from wind and weather, and habitats for birds and other wildlife. Walk a little further and you will see the 'old field' where the first Othona huts were built in the 1940s and

1950s, these old buildings now restored and repurposed, and surrounded by yet more planting, winding up towards the First Beach through the Othona Coastal Park. Now, something even the most frequent sea wall ramblers may not yet have seen: as you continue, look back and you will see the new boundary of Othona's eleven-acre addition, just now planted with young native trees, soon to be a hedgerow to further increase opportunities for birds, mammals, reptiles and insects to join this diverse Community.

As we welcome new arrivals, both human and animal, so must a sad goodbye be said, too. David James died on 29th December, aged 83, leaving his widow Terry. Dave was more than just a Community member of almost 70 years, he was part of Bradwell, the village he loved. Blind since childhood, this never stopped Dave enjoying life to the full, playing his guitar and singing in the Chapel, the pubs, Othona concerts, and fundraising at the Lifeboat fetes. His memorial service is at St Peter's Chapel and Othona on the afternoon of 22nd March, for a fuller picture of his life do look at the Othona Essex website.

January has been a fairly quiet month at Othona as usual, giving the resident team and volunteers a bit of a break after a lively Christmas and New Year celebrations, and before the start of another full-on year of activities and events for all. Coming up in February:

Who is Christ for us today? Fri 31st Jan to Sun 2nd Feb. Led by Revd. Brigid Main.

February Half Term Week Mon 17th to Fri 21st Feb, family activity week Building a Neurodiverse Community, Mon 3rd to Thurs 6th March.

Wild Edges with Fiona Koefoed-Jesperson, a contemplative retreat.

Easter - A Landscape Liturgy led by Paul Lucas, and sharing time with Parish Church worship, Thur 17th to Tue 22nd April.

We hope these events will be shared by resident and local day visitors alike, further details of these and upcoming events are on the Website. All are welcome to book for a stay or a meal, or to pop in for a cuppa and a chat. If anyone is interested, or knows someone who may be interested in the resident team vacancies for Warden/ Manager, their deputy, and the cook/catering hospitality lead, please see the Website or contact Othona Essex.

## News from RAF Bradwell Bay

Bradwell on Sea can be proud of its history with the Royal Airforce. RAF Bradwell Bay was a base in fighter Command but was not a Battle of Britain station as it didn't open until 1941 and became operational in 1942. However, Bradwell played its part in the Battle of Britain as the Dengie Flats firing range, opened in 1938 and was to train many pilots who went on to fly in the Battle of Britain.

Once operational RAF Bradwell Bay played its part in many well-known operations during the war. This included Dieppe and the Normandy Invasion. The bases went operational at a time when Fighter Command was changing from Defensive tactics to Offensive.

Around the time of the D Day invasion Hitler started his fight back by introducing his secret weapon, the flying bomb or V1 rocket. These were pilotless aircraft, the first attack was on 13<sup>th</sup> June 1944, one week after D Day. Britain's defence against this new weapon was Anti-Aircraft guns, Barrage balloons and fighter Aircraft.

Aircraft from Bradwell Bay flew what was known as Diver operations in which aircraft would try to shoot down the V1's before hitting London and other high population areas. Sometimes pilots would also try tipping the V1 off course with their wing, this must have taken some nerve!

In September the next development of the Vengeance weapon was launched, that was known as the V2. The V2 was expensive but was a last-ditch effort by the Nazi's to win the war, which in fact they had already lost.

The V2 was harder to chase as the speed and altitude of the rockets was beyond any conventional aircraft the RAF had then. The V2 was reaching towards the outer limits of the Earth's atmosphere.

RAF Bradwell Bay did have a visit from a V2 rocket which hit runway 2 on 30<sup>th</sup> January 1945. The Station Operational record Book states:

*"d) A V2 landed on the NW/SE runway at approximately 1534 hours making a crater 25 yards wide and approximately the same depth. No casualties were caused, and only slight damage to buildings nearby. The Works Flight began immediate repairs and worked through the night under very trying conditions (i.e. wind and snow). P/O GREEN, i/c Works Flight tackled this job in a praiseworthy manner.*

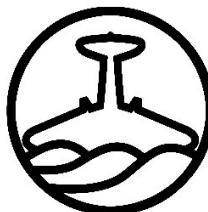

*(e) All personnel on the Station were engaged in clearing the main runway of snow which was serviceable for night flying at 1630 hours."*

In fact, the repairs to runway 2 kept collapsing and the runway was never reinstated. A line of trees was planted to mark the spot.

The RAF Bradwell Bay Preservation Group seeks to preserve the history of the RAF in Bradwell on Sea. We are planning for a museum near the memorial.

You can help by donating via our website [www.rafbradwellbay.co.uk](http://www.rafbradwellbay.co.uk)
