Dear Friends,

As we enter February we celebrate, on Wednesday 2nd, the Presentation of Christ in the Temple (Candlemas). It is based upon the account of the presentation of Jesus in Luke 2:22–40. In accordance with Leviticus 12, a woman was to be purified by presenting a lamb as a burnt offering, and either a young pigeon or dove as a sin offering, 33 days after a boy's circumcision. It falls on 2 February, which is traditionally the 40th day (postpartum period) and the conclusion of the Christmas–Epiphany season.

The Feast of the Presentation is one of the oldest feasts of the Christian church, celebrated since the 4th century AD in Jerusalem. There are sermons on the feast by the bishops Methodius of Patara (died 312), Cyril of Jerusalem (died 360), Gregory the Theologian (died 389), Amphilochius of Iconium (died 394), Gregory of Nyssa (died 400), and John Chrysostom (died 407). In one of the sermons in the 4th century, we hear...

“[The Purification of the Blessed Virgin Mary.] But certainly the Feast of the Purification is celebrated here with the greatest honour. On this day there is a procession to the Anastasis; all go in procession, and all things are done in order with great joy, just as at Easter. All the priests preach, and also the bishop, always treating of that passage of the Gospel where, on the fortieth day, Joseph and Mary brought the Lord into the Temple, and Simeon and Anna the prophetess, the daughter of Famuhel, saw Him, and of the words which they said when they saw the Lord, and of the offerings which the parents presented. And when all things have been celebrated in order as is customary, the sacrament is administered, and so the people are dismissed.”

During February, we also celebrate St Valentine’s Day on the 14th, remembering St Valentine, Martyr at Rome in 269. As we remember these people who have been imprints in our history, we bring our own prints to our lives and society today, so that we too may be remembered for bringing truth, light and love.

God bless, *Reverend Steven*

World Day of Prayer, a women led, global, ecumenical movement **“I KNOW THE PLANS I HAVE FOR YOU”**

The service this year has been written by the women of England, Wales and Northern Ireland and the churches of Bradwell, St Lawrence, Tillingham and Dengie will join together in St Thomas’ Church, Bradwell-on-Sea at 2pm on Friday 4th March 2022. All are welcome to join us no matter what religion or gender as we reflect on the text from Jeremiah “I know the plans I have for you”.

All Good Things Come to an End

In late January the bell ringers held their Annual General Meeting. Whilst the evening does give a tug of the forelock towards the wine industry, serious business is conducted. This year I, as Tower Captain, stood down after some twenty years facilitating the bell ringing at St Thomas'.

I would just like to pay tribute to all the ringers with whom I've worked over those exhilarating years. There is so much enthusiasm, striving for perfection, genuine friendship, cooperation, and, yes, love, in the tower that those years have been a sheer joy.

And to continue that work two people were elected as joint Tower Captains. John Pryke has been ringing for over twenty years, and Laurie Main I think for some forty years. My very best wishes to them. I know that with their guidance Bradwell ringing will continue from strength to strength.

A Morning Out

I've been a member of the Essex Birdwatching Society for almost as long as we've been in Bradwell. But unbelievably, I had never joined one of the bird watching visits. Early in January there was a meeting at the Abberton reservoir over towards Colchester. At around 9 o'clock we arrived. We knew we were at the right place – the largest concentration of telescopes in Essex had assembled on the main causeway.

And the birds must have known. They too assembled in huge numbers on the water – gulls were out in force together with several species of duck, along with grey geese and the inevitable Canada Geese. Great Crested Grebe, Coots, along with the odd Moorhen, were all out there amongst the throng, though in smaller numbers.

But the advantage of being with the experts of the Society soon become apparent. Of course, the Tufted Duck is familiar – they breed on the lake in any city park, and they were on the reservoir in numbers. But suddenly the cry went up “Scaup”. Very similar in appearance to the Tufted, but with a grey, not black, back, and lacking the tuft on the head. It is much rarer and only visits us in the winter. It breeds far away in northern Scandinavia and on to Siberia. A lovely bird.

But it was getting cold. The advantage of Abberton reservoir is that close at hand is the visitor centre of the Essex Wildlife Trust. Entry to the reserve is free to members, but only £2 in any case. A cup of coffee and home-made scone in the warm was very welcome.

The Othona Community – February 2022.

Do you know who is there, down by St Peter's Chapel, tucked away behind the sea wall? So many local people don't have any idea who, where or why there is a presence in that out-of-the-way corner of Bradwell-on-Sea.

Othona has grown and developed since our founder, Canon Norman Motley, first came to The Chapel at Bradwell in 1945. "The moment I entered the building I knew that we were home.....the other task ahead was to find some place where a mixed group of people could spend residential periods with us." (From Norman's book "Othona, Much Ado About Something.") He found that place, and soon the Othona Community began to meet each summer – then for all the school holidays – up to now, when Othona has warm and welcoming buildings for day and residential visitors all year round.

But "visitors" is not always the right word. Many do visit, enjoy a cuppa and a chat, and make their way home. They may not call in again until perhaps, many years later, they return to bring a friend, and find that, although the old place may have changed, the welcome is the same – not intrusive, not doctrinal, but some describe it as being part of an extended family. Othona's history is rarely written down, tending to rely on the ancient tradition of folk tales. So many conversations start with "Do you remember when..." (Audrey did this, John said that, a group of volunteers built those...) Othona grew, developed a Dorset centre, and now does much communication online.

Our Founders had Vision. In 1941 Norman, an RAF Chaplain frustrated by the lack of relevance of the Church to his bewildered congregation, started no-hold-barred answerback meetings, which drew in all manner of people, so they formed a "Nails Movement" to keep them together as the war ended, using a crude symbol of welded nails as their emblem. They believed in "the dream of a centre where, after the war, people of all kinds – especially those linked with the 'Nails,' could meet and perhaps implement the dream of a creative reunion where constructive thinking and subsequent activity could take place." People who make a commitment to Othona may still receive the Nails. Many still have a vision for our future into the 21st Century, with all its joys and troubles, its need for faith, hope and Christian love.

So now we had Nails holders, their families, and a body of people who had previously been on opposing sides in the recent war, with those from different strata of society, coming to this meeting place to become one Community. The word spread, and Church groups came to visit and share that blend of Work, Worship, Study and Play that gives a wholeness to Othona. Families brought friends, who brought their families - and we're into 4th and 5th generations, as well as constantly seeing g new faces: local people, groups, schools, passers-by, older and younger, able-bodied and less able, all nationalities, all faiths and none. Everyone is welcome to share their name and contact details to go on our mailing list as a "friend." Those who are willing to pay their £12 a year are "Members" which gives people a sense of belonging and helps support our work – but all who enjoy Othona are the Community.

Look on the Website for news, and for the 2022 Programme, including Feb half-term.

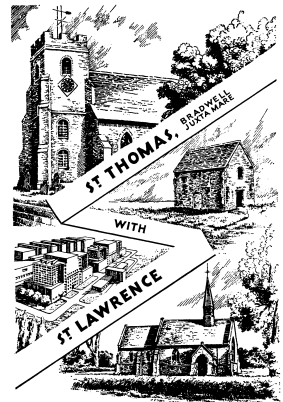

To learn more about Othona or to make booking or a donation, do take a look at our website. Tim Fox is Warden/Manager, with Debbie and Richard Sanders. Email bradwell@othona.org. Website: www.othonaessex.org.uk. Telephone 01621 776564.

A Bingo Night to start 2022 off with a bang!

On a still and misty evening 13 WI members got together to wish each other Happy 2022 and to play bingo! Originally to be hosted by Lorraine, who unfortunately couldn't make it, but happily her able assistant Linda (Sibley) stepped up to the plate. After a couple of teething problems Linda was all good to go.

The bingo fun was spread out through the evening with WI business squeezed into the mix. We were greatly entertained by our wonderful bingo callers, Alice, Lin and Linda - thank you to all.

There is no fun in playing bingo without prizes ... and what prizes they were ... chocolates, Gin & Tonic crackers and gift cards - won by Eileen, Claire, Dianne, Sharyn and Carol.

Linda Sibley and Christine discussed WI business, which included WI resolutions where members were invited to give their personal vote online.

Julie talked about our very popular Progressive Dinner Party ... the proposed date is Wednesday 27 April - always great fun. Also looking to reintroduce our WI members birthday dinner, proposed date 25 May.

Christine reminded members of Linda Barnes' email about her suggestion that we got involved with the Queen's Green Canopy, part of the Queen's Platinum Jubilee celebrations, where we could sponsor the planting of six trees in the village, as a group or individually.

Looking ahead to 2025 when we will celebrate our 100th birthday – Linda Sibley asked members to give thought to what could go onto a tapestry and invited all members to be involved.

Dates for diaries:

Craft Group - Monday 24 January – 7.30 pm Village Hall (Linda Sibley)

Walking Group - Linda Barnes to update members

Photo Club – meeting in February (Linda Barnes to update members)

Book Club - Sue to update members at our next meeting

Lunch at Wibblers in Southminster – end of February – Jeanne to confirm

Linda Sibley welcomed Alice as our latest Committee Member ... she will be taking photos of members at our events and creating a scrapbook.

A big thank you goes to Linda Levett and Linda Sibley for tea and cake giving us plenty of sustenance to play Bingo.

Pat won the raffle and the competition (a photo depicting members' festive fun), which was a beautiful family group, a worthy winner.

Next meeting will be on Wednesday 9 February, where we will be welcoming Rachel Burley from The Essential Body Company.

Bradwell Bells

Thank you, Brian, for your twenty or so years as Tower Captain at Bradwell. Over all those years I don't know how many pints we have shared, how many cheese scones we have eaten, how many outings we have been on or even, how many bells we have added to the tower – Oh, I do know the answer to that one – 3. (Albeit the third one being a small demonstration bell for training purposes)

We thank you for making the ringing chamber a place where we come together to enjoy taking part in this ancient practice, in such a way that no one feels out of place or out of their depth. You have managed to blend together ringers, both experienced and beginners, and given us a sense of fun as we ring.

In the tower we have what is known as the Bradwell glare. If you go wrong you glare at someone else to try and convince them that they should take the blame. But Brian has never played this game. If ever he goes wrong, he always admits it, apologises and says: "Let's try that again." Likewise with beginners, he tells them not to worry and that we've all been there and done that and: "Let's try that again."

Now it's our turn as John and Laurie take over the mantle of Tower Captain and I think that our motto will be: "Let's try that again," and hope we get close to what has been achieved over the last twenty years.

John Pryke & Laurie Main

Flower Arranging Course 2022: The next steps Stage 2

Following the success of the Flower Arranging Course held last year by Barbara Roe there will be the next stage course to be held this year. Commencing March to December 2022 the new course will include; Principles of Elements and Design and the Colour wheel. The course will meet once a month on a Tuesday morning in the Chapman room.

1. Line provides many things for a design; it provides the shape and the structure. The line also allows a path to exist for the person looking at the arrangement. Designers can use different techniques to create their lines.
2. Form includes three things height, width and depth. It is important to think about form while placing flowers because this is what determines the form.
3. Space, spacing of flowers give the viewer a chance to view each individual flower.
4. Texture gives the arrangement interest and diversity. Allowing viewer to notice different flowers.
5. Colour is perhaps the most important element out of all the elements because that is what most people notice. The best way to choose colours for an arrangement is to use a colour wheel.

The cost of the year long course will include materials like baskets, containers, pinholders/kenzans, these are an environmentally friendly alternative to floral foam etc.

Dates:

- | | |
|------------|---|
| March 1st | Easter basket (round shape) (traditional) |
| April 5th | Pot-et-fleur (suitable for a gift) |
| May 3rd | Italian Style (contemporary: a bold design multiple uses) |
| June 7th | Asymmetrical (pedestal or table) |
| July 5th | landscape (Altar Garden) |
| August 2nd | A vertical line design |

September 6th A display using a pinholder/kenzan (environmentally friendly)
October 4th HARVEST CHURCH WINDOWS horizontal
November 1st Easy topiary using carnations
December 6th An oval Christmas table arrangement

If you would like to join the course, please contact David Thorpe at davidthorpe227@btinternet.com or 776846 or Barbara Roe at barbararoe@btinternet.com or 743494.

The cost of the course for the year will be £60 which will include materials but not flowers. New comers still welcome, you don't have to have done course one to do this year's course.

The spaces are limited to 12 so do apply early.

St Lawrence Bay WI

This month we had planned a speaker, but unfortunately, she couldn't attend. At short notice we had to plan our own activity.

Fortunately, it was voting time for the Women's Institute Resolutions, the results of which, nationally, get to be put forward to Parliament. So, we had a time of discussing and deciding on the issues which included 'Appropriate sentencing of non-violent women', 'Equality in law for the Menopause' 'Tackling digital exclusion' and 'More support for women and girls with ASD and ADHD'.

After much very involved discussion, our WI voted for the latter to go forward. Members who were absent were given the opportunity to vote by post or email.

We then had our tea and lovely home-made cake whilst we did a short 'numbers' quiz. Our raffle and explanations of why we chose our favourite books for the competition concluded the afternoon.

February's meeting will be on Friday 11th February at 2pm – new members will always be welcomed.

Time to get walking again!

At this time of year, we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

Walking in Essex <https://www.walkinginengland.co.uk/essex> has hundreds of walks to download and print, free. It also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Essex (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So, home or away, check out the websites and get walking! *John Harris*
