From the Vicarage

Dear Friends,

As we move into November, we enter a season of Remembrance beginning with the Church's All Souls Services where we remember our departed loved ones.

We then move into Remembrance Day where we remember those fallen in past world and recent wars.

As we remember our loved ones departed, we remember their lives in the ways in which they have impacted on us, especially those who sacrificed their lives in war. War is never a good thing, as we see today in Ukraine. As we continue to pray for peace in Ukraine, we also remember those who recently died in Ukraine who are fighting for their own freedom.

May God bring Peace, Amen.

God Bless,

Reverend Steven

Remembrance Sunday in the parish of Bradwell-on-Sea at St Thomas' Church on 13th November 2022

This year the Rector, Choir, Parishioners and the Motorbikers are gathering at the Bradwell Airfield memorial at 10:20 for the laying of wreaths and prayers.

The choir and parishioners will then walk in procession behind the Crucifer (Cross bearer) to the village to be at the church for 10:50 for the two-minute silence and service, the Motorbikers will stay at the memorial for the silence.

At the end of the service the Motorbikers meet all the church for the final blessing and then sing the national anthem at the parish churchyard memorial.

All are then welcome to stay for a chat and coffee in the church.

Tales from RAF Bradwell Bay

On the 30th of January 1945 a hole appeared in a runway at RAF Bradwell Bay the CO was looking into it.

Joking aside a V2 rocket hit a runway and left a massive crater. Luckily no one was killed or injured. The entry in the Operational Record Book states:

A V2 landed on the NW/SE runway at approximately 1534 hours making a crater 25 yards wide and approximately the same depth. No casualties were caused, and only slight damage to buildings nearby. The Works Flight began immediate repairs and worked through the night under very trying conditions (i.e. wind and snow). P/O GREEN, i/c Works Flight tackled this job in a praiseworthy manner.

All personnel on the Station were engaged in clearing the main runway of snow which was serviceable for night flying at 1630 hours.

RAF Bradwell Bay played a big part in defence from V1 and V2 flying bombs. Both by sending aircraft to intercept and by the AA defences. The operations to intercept the V1 Bombs were known as 'Diver Patrols'. They must have been very nerve racking for the pilots, who had to get their wing underneath the V1 and tip it off its course towards London.

The hole on runway 2 could not be repaired and eventually trees were planted, which can be seen opposite the sign for runway 2.

© IWM MUN 3853

This V2 Rocket was brought back from Germany at the end of the Second World War, and after display at the Royal Aircraft Establishment, Farnborough, was transferred to the Museum in 1946. The alcohol and oxygen tanks can be seen, as can the rocket engine itself (note that one half of the outer skin has been fretted to reveal the tanks, and two of the fins have been removed, exposing the engine

The Othona Community

The Programme for November continues with an **Art Therapy Workshop** Mon 7th to Fri 11th.

Winter Watch – birdwatching and wildlife watching runs Mon 14th to Thur 17th November.

Advent weekend 25/27th – share the hope of Advent, Candlelit Service in the Chapel on 26th.

Look forward to Community Christmas Fri 23rd to Tue 27th Dec., **New Year** Fri 30th to 2nd Jan.

Local people are welcome to book a meal or a day at any of these residential events.

Looking back over the last month at Othona, the Autumn Retreat, led by Bishop John Perumbalath was a great opportunity to share some time with our Bishop, and to learn from his insights into the Old Testament viewed as a journey through time and ideology; and see the Psalms as a work of Praise, however downhearted or uncertain the psalmist might feel.

October Half –Term is our usual lively event, as youngsters – and their parents, grandparents and anyone who wants to join in – have fun and make new friends as the youngsters gently learn the lessons of community living, which give an important foundation for later life. In the quieter times outside of our traditionally open School Holidays, Othona holds Retreats and Events with leaders who volunteer their time. We also host private bookings – such as the large and lively wedding last month, with all the cooking and catering by, again, volunteers: great fun, great teamwork, give it a try! If you think Othona is the place for your family celebration, be it Wedding, Christening, Birthday or Anniversary contact **Wardens Debbie and Richard Sanders**.

Othona is not just a place for events on site – it is a Community of people who share that sense of Christian engagement and joy across the world, as visitors and volunteers move on. Closer to home, the Othona Community led the Harvest Festival Thanksgiving service on the 9th October at St Thomas Church, sharing with the local congregation before hosting the Harvest supper at Othona later in the month. As the psalmist says in Psalm 100: “Shout for joy to the Lord all the Earth.” At Othona we face reality in discussions and concern for the world – but keep praising!

SURVEY OF PUBLIC OPINION

There has been a great deal on discussion recently about the various housing developments that are in the pipeline and the infrastructure implications. We think it's a good idea at this stage to get a snapshot of public opinion. With this in mind a survey has been created. The link is: <https://tinyurl.com/5h256yf3>

It is very quick and easy to fill it in.

PLEASE COMPLETE THIS SURVEY TO MAKE YOUR VOICE HEARD

The United Dengie Councils clerk has distributed this amongst member councils. As well as compiling data which will be useful in its own right, we want to remind the developers and decision makers that the opposition to their half-baked plans hasn't died down and that they will have a fight on their hands unless they come up with fair and reasonable proposals

With thanks.

The Infrastructure Group

Bradwell on Sea Flower Show

Hopefully you all came to this year's flower show and enjoyed it. If not, you missed out! It was a lovely hot, fun filled day, with lots of show entries, plenty to eat, drink, see and do - all accompanied by the silver band.

Plans are already afoot for the 2023 show. However we have lost all but 3 members of the pre covid committee and are very much in need of more help to be able to be able to run the show. We desperately need some help for setting up the hall and field and then dismantling, especially on the show day. We do really need more people to share the work (and fun!) with, before we scare off our new committee members! If you would be interested in helping, even if just for a few hours, please contact Teresa on 01621 776588.

Home Library Service volunteers are your link to the library, bringing books and any other library items you’d like. To join the Home Library Service, all you need to do is phone 0345 603 7628 or ask a friend, relative or care home staff to contact us on your behalf. Alternatively, you can fill in the [feedback form](https://essex-self.achieveservice.com/service/Library_questions_and_feedback) (link: https://essex-self.achieveservice.com/service/Library_questions_and_feedback).

An employee of the Library Service will then get in touch with you to arrange a home visit.

Wednesday 12th October at the Village Hall

A look at the history of St Thomas's Church with Kevin Bruce

For our October meeting, we were joined by Kevin Bruce for a very interesting talk about the history of St Thomas's church. As such a landmark of the village, it was fascinating to learn so much about it and its many features that most of us overlook daily! For example, when you next walk past the church, look up and see if you can see the many grotesques (face carvings) that line its outside walls!

As part of our continuing efforts to combat climate change, we were also invited to all attempt to find a second-hand item of clothing and wear it to the meeting. It was so lovely to see everyone give it such a good try; there were some real gems there that didn't break the bank and had a much lower environmental impact than buying new!

Our next meeting is on the 9th November in the village hall, and our speaker will be Jackie Marshall-Ward on 'Hats off'. New members are always welcome, so please feel free to come along!

If you have any questions about what we get up to, you can contact Sue Pirret on 07824696807 or sue@dailygrindimports.com.

ST LAWRENCE HERITAGE DISCOVERY CHURCH

A WOODLAND WALK

Took place on 22 August 2022

17 children with their adults met at West Newlands Farm

Before starting the walk we looked at a great number of moths which had been attracted to a moth trap in the night.

We then walked to Tawney Wood and sat on large bales overlooking the River and ate our picnics.

We heard the story of the

little acorn who eventually fell off his mother oak tree, was carried off and got buried in the soil and after 2 years was about 30 centimetres tall, but after 100 years was as big as the tree near our picnic. Some of us even took to a bit of tree-hugging!
