Fom the Vicarage

Dear Friends,

As we move into October, we continue to celebrate Harvest with the local school and in our Church. Please feel free to come and celebrate with us at St Thomas Church, Bradwell, on Sunday 6th October at 10am for our Church service. If you are unable to join us, please do come and see the Church decorated and if you are able to donate any food items, these will be sent to the Dengie Foodbank.

The 4th October is St Francis day which concludes the end of the Season of Creation in the Church. This year, the season's theme is 'Hope and Act with Creation'

TO HOPE AND ACT WITH CREATION

SEASON OF CREATION 2024

The firstfruits of hope

(Rom 8:19-25)

In the letter of Paul the apostle to the Romans, the biblical image pictures the Earth as a Mother, groaning as in childbirth (Rom 8:22). Francis of Assisi understood this when he referred to the Earth as our sister and our mother in his Canticle of Creatures. The times we live in show that we are not relating to the Earth as a gift from our Creator, but rather as a resource to be used.

And yet, there is hope and the expectation for a better future. To hope in a biblical context does not mean to stand still and quiet, but rather groaning, crying, and actively striving for new life amidst the struggles. Just as in childbirth, we go through a period of intense pain, but new life springs forth.

Hope is an instrument enabling us to overcome the natural law of decay. Hope is given to us by God as a protection and guard against futility. Only through hope we may realize the gift of freedom in fullness. Freedom to act not only to achieve enjoyment and prosperity, but to reach the stage in which we are free and responsible. Freedom and responsibility enable us to make the world a better place. Only when we work together with Creation can the firstfruits of hope emerge.

God bless,

Reverend Steven

Open Meeting 11 September at the Village Hall

There is always a wonderful anticipation of our Open Meetings. A speaker is picked who will hopefully give a wide spread appeal, so that our members can invite friends and family and be entertained into the bargain.

Stephen Nunn was the natural answer. Maldon born and bred and a historian with a great interest in all things Maldonian, which includes the Dengie. His talk 'Maldon, The Dengie & Battles in the Skies' did not disappoint. He considers Bradwell as his second home, he spent much of his youth in Bradwell and had nothing but praise for it. He learnt to drive on the airfield, to drink and play pool in the Queens Head (that was), proposed to his wife in the chapel and celebrated in the Kings Head and the Green Man.

Stephen's talk was both interesting and informative and told us along with a slide show about the many events in and around the Dengie, about the planes that came down ... the airmen at Bradwell Bay and what we know as 'Dad's Army. He also peppered his narrative with recollections and anecdotes from his father and grandfather which helped bring everything to life.

After Stephen's talk there were 'any questions' and then onto the refreshments. Our members excelled themselves in delivering wonderful cakes ... and teas.

We had a wonderful raffle, which included biscuits, chocolates and Novus Tea (courtesy of Sue).

The competition this month was Historic photo/s of Bradwell – Stephen very kindly stepped in and judged – showing great interest in the entries. So well done to 1st Pat, 2nd Sue and 3rd Theresa.

Special thanks must go to Kevin Bruce who provided the technical assistance for Stephen's slideshow.

The Othona Community

As you sit down with a relaxing cuppa, to read your copy of “Village View”, take yourself to a day at Othona, as you share with us Sunday 15th September.

A bell rings for breakfast – sounding across the field so all may know it’s time to come to the dining room. But that’s not the start of the day, as the breakfast cooks have been up for some time, preparing real porridge, and setting out an array of cereals and fruits to choose from, with homemade bread to toast. No sooner than breakfast is finished, with many hands to clearing away, washing up and tidying round, than the events of the day are underway, with Warden/Managers Debbie and Richard, and their resident team: Phil, JP, Amanda, George, French Volunteers Lou and Quentin, part-timer Peter, and others joining in to support the team. The structure of the day is still based on the four elements of Othona, set out by our founder Norman Motley: Work, Worship, Study and Play together to build Community.

Preparations are in hand for Sunday worship in the ancient Chapel of St Peter’s on the Wall, used by worshippers over hundreds of years, and daily by Othona for nearly 80 years. Today we have Christian groups sharing the day: the Lithuanian Church, and Fambridge Church; and also joining us are the Visually Impaired Sailing Society, coming in for tea and homemade cakes. Othona has a long history of inclusion of blind and partially sighted people, active in their membership and support. With all these distinct groups coming here for their separate purposes you might expect allocation of different spaces for each body of people to pursue their own agendas. Not so: look at everyone playing croquet, together, sharing a game of bowls in the lovely autumn sunshine, enjoying home cooked (and often home grown) meals together, new friendships made and plans to come again next year.

At the time of writing, an art-related week, “Place, Space and Map Making” Workshop is about to start, running from Mon 16 – Fri 20 Sept with Sandie Cottee sharing her expertise – and we say Goodbye to George from Dorset, a familiar face to many in the village as he has helped with local community events, while giving a good year of his time to volunteer at Othona. After two years on the team, Phil is also moving on, and will be greatly missed, particularly in the kitchen – did you try his cookies!?! **Othona is now seeking to recruit a new Cooking, Catering and Hospitality Lead – residential position** – see the Othona Essex Website for details: is this you?

See the website, or pick up a leaflet, for the 2024 Programme: Here are activities

for the autumn – resident and day visitors are welcome to book:

Harvest Working weekend Fri 11=Sun 13 Oct, our most popular Working Weekend.

Autumn Retreat Fri 18 – Sun 20 Oct, Rest and Reflection, with Revd. Emma Wylie. Preserve and Sauerkraut making **Fri 25 Oct — Sun 27 Oct 2024**.

Mon 28 Oct — Fri 1 Nov 2024 Half Term Family Activity Week.

Debbie and Richard Sanders are our Wardens, supported by resident team Peter, Amanda, and JP, and volunteers. Website: www.othonaessex.org.uk, contact bradwell@othona.org, telephone 01621 776564, or visit via the wind-powered electric gate, collect exit token to go.

News from the Bell tower

On Saturday morning, 12th October, there is going to be a District practice in Bradwell for individual ringers to learn how to raise and lower a bell.

When ringing bells, they are in the up position and can be easily pulled off balance by pulling on the rope. When the bells are not being rung, they are left in the down position and will swing harmlessly if a rope happens to be pulled. Now, to get the bell from the down position to the up position takes a bit of practice for it to be done safely. You could liken it to learning how to ride a bike, a lot of wobbles and minor disasters until you get it all together and, away you go.

On that note I'll finish for now, but if you're interested in seeing the bells or having a go at ringing, then give one of us a call.

Prayer for October 2024

Lord,

As we move into autumn and the month of October, the normal seasonal changes are all around us, the beautiful colours, the falling leaves, the cooler days. And that is reassuring.

But, so much else in our world is changing so rapidly, often in ways we don't understand. And that can be worrying.

Thank you that You never change. You are always the same, faithful, present and loving. And You tell us in Your Word, not to be anxious about anything, but to bring all things to You in prayer and to trust You. When we do this, You promise us Your Peace – a peace of heart that steadies us and helps us move forward.

Thank you that whatever comes, we are secure in You, when we put our trust in Jesus. In His name, we pray. Amen.

News from RAF Bradwell Bay

We have spoken of events around the D-Day invasion of Europe, let's look at some of the build-up which stretches back into 1943.

In the Autumn of 1943 2 squadrons both equipped with Mosquito aircraft but with different jobs to do.

In September 1943, 488 Squadron came to RAF Bradwell Bay. At the time they were a defensive squadron and had moved from RAF Drem in Scotland. They were active on home defence especially during Operation Steinbock, known as the 'Baby Blitz', in early 1944. On 21st March 1944 the squadron brought down 3 aircraft in 1 night, 2 by the same crew.

IWM (CH 12537)

Air Marshal Sir Roderick Hill, Air Officer Commanding ADGB, is shown the wreckage of one of three enemy aircraft shot down by aircrews of No. 488 Squadron RAF, flying from Bradwell Bay, Essex, on the night of 21 March 1944.

In October 1943 605 Squadron came to RAF Bradwell Bay from Castle Camps in Cambridgeshire, in their role as an intruder squadron. The day following the move to RAF Bradwell Bay the squadron was carrying the fight across to the continent to soften the Germans and especially the airfields and transport infrastructure in preparation to the planned invasion in 1944. These raids were to be successful in weakening the transport infrastructure and Luftwaffe so that reinforcements

would find it difficult to be transported to invasion areas and to assist in gaining air superiority over the German forces.

IWM (CH 9475)

The RAF Bradwell Bay Preservation Group seeks to preserve the history of the RAF in Bradwell on Sea. We are planning for a museum near the memorial.

"It's either an appeal to youth culture
or we can't afford to service the boiler
for the Winter season"

Alfred the Great, King of the West Saxons, scholar, AD 899

Can you think of a politician who deserves to be called a saint? If no one currently living politician comes to mind, never mind – there is always King Alfred of Wessex (871-99).

This remarkable and best known of all the Anglo-Saxon rulers may have dozed off and let some cakes burn while a peasant woman was hiding him from the Vikings, but he did so much else which was of lasting good for the Anglo-Saxon people.

It was a desperate time for the Anglo-Saxons – the kingdoms of Northumbria, East

Anglia and Mercia had fallen to the Vikings. Only Alfred's province remained free. Through some inspired military maneuvering, Alfred managed to keep them at bay. As a Christian, he became the defender of all Christian Anglo-Saxons against the pagan Vikings. (His son and grandsons went on to conquer the Vikings, and thus ensured the future unity of England.)

Alfred was also a scholar, and admired certain writings which had laid down models of ideal Christian kingship. He tried to put these principles into practice, such as producing a law-code. Alfred believed strongly that anyone in authority should have to study in order to learn how to govern. Not such a bad idea for leaders today!

Alfred was never canonised by the Church, but his translation of *Consolation of Philosophy* by Boethius is often thought to be a fitting epitaph: *I desired to live worthily as long as I lived, and to leave after my life, to the men who should come after me, the memory of me in good works.*
