From the Vicarage

Dear Friends,

As we move into September, and as children return to school and next steps in their careers, we move into the time to celebrate the Harvest.

The Harvest has been challenging this year to the hot and dry weather, which hopefully should not be a yearly occurrence. However, if it is, it should make us stop and think about how we live in God's Creation, as we also celebrate the new liturgical service in the Church in September, the Feast of Creation.

Each year from September 1 to October 4, the Christian family unites for this worldwide celebration of prayer and action to protect our common home. It is a special season where we celebrate God as Creator, and acknowledge Creation as the divine continuing act that summons us as collaborators to love and care for the gift of all that is created. As followers of Christ from around the globe, we share a common call to care for Creation. We are co-creatures and part of all that God has made. Our well-being is interwoven with the well-being of the Earth. We rejoice in this opportunity to safeguard our common home and all beings who share it with us. This year, the theme for the Season is "Living Water."

This year, we will unite around the theme "Living Water", with the symbol "Immersion in Living Water", inspired by Ezekiel 47: 9 and 12

"Ezekiel's vision of Living Water, chosen as the Season of Creation theme this year, is not one of despair but of hope for all creation. Even the Dead Sea — a symbol of a devastated ecosystem such as we see today — is healed by the Living Water. This prophetic hope resonates deeply with a key goal of the Ecumenical Decade of Climate Justice Action which has a thematic focus on climate and biodiversity in 2026: to inspire ecological metanoia and faith-rooted actions for ecological restoration as part of our common Pilgrimage of Justice, Reconciliation, and Unity., said Rev. Prof. Jerry Pillay, World Council of Churches General Secretary.

God bless,

Reverend Steven

Bradwell WI

Friday the 7th August at Beeleigh Abbey

A sunny day at Beeleigh Abbey

This month we headed to Beeleigh Abbey for our annual summer outing, and were lucky enough to have a beautiful sunny day for it!

We started our visit with lunch together, giving everyone a chance to catch up before heading out to explore the gardens surrounding the 12th-century Abbey. There was plenty to see as we took a lazy wander around, including the rose garden, orchard and long colourful borders, with the beautiful view over the River Chelmer being a particular highlight. It was a particularly warm day, so we were very grateful for the shade around the grounds!

Once we had finished exploring, it was time for the important part... tea and cake! (We are the WI after all!) We found ourselves a shady spot to sit together and enjoy some refreshments before it was time to head home.

Our next meeting is on the 9th of September in the village hall with Ray Clarke and his talk, 'Radio Caroline and Me'.

This is an open meeting, so anyone can come along. Doors open at 7:30 pm, and the talk begins at 7:45 pm. Tickets cost £5 each on the door for non-members, and there'll be refreshments!

New members are always welcome; If you have any questions about what we get up to, you can contact Sue Pirret on 07824696807 or sue@dailygrindimports.com

Alice Nightingale

News from RAF Bradwell Bay

Help us to be part of the community of Bradwell on Sea

In our website and on our publicity leaflets I describe Bradwell Bay as 'The Little Airfield That Grew Big'. This is to represent that Bradwell on Sea had 2 airfields in its time. The first was RAF Dengie Flats and was opened in 1938, there was a small grass airstrip and barracks for 30 airman and a sergeant. This was built to serve the Dengie Firing Range, built as part of the RAF Expansion Phase.

The firing range out lived the large airfield known as RAF Bradwell Bay which opened in 1941 and closed in 1945. The range did not close until August 1968.

Following the success of the Battle of Britain, the risk of invasion had subsided, and Britain was to go from defensive to offensive. More airfields were required and especially on the East of England.

Bradwell on Sea was selected as the small grass airfield could be enlarged.

This was not to be a simple exercise. First land had to be identified and surveyed to see the suitability of having a large concrete runway built. This had to consider drainage and power supply etc. In fact, building a large airfield was like building a village. In the case of Bradwell on Sea, which had a population of less than 1,000, the enlarged airfield was to cater for 2,000 mostly young men and women.

Apart from building the runways an airbase needed facilities for personnel, accommodation being a priority. As well as the ubiquitous Nissan Hut many buildings as well as land was taken over by compulsory purchase.

Compensation was offered but it was not adequate for those losing their home. One person in Bradwell put up a fight with the air ministry that went on to 1947. We have records of this in our extensive archives.

This is a list of requirements for the airfield.

Accommodation

Eating Establishments

Entertainment
Offices including Control Tower
Medical and Dental Facilities
Emergency Services
Airfield Defence
Workshops and offices

Details of the airfield can be seen on our website. RAF Bradwell Bay ceased to be an RAF Station on 30th November 1945. The range carried on in use until 1965, but the airfield was not used. I have been told that the United States Air Force had a hut possibly to accommodate personnel who were manning the range.

The RAF Bradwell Bay Preservation Group has a Facebook page
RAF Bradwell Bay Preservation Group (Type in whole address) and our new
website

www.rafbradwellbay.org

The RAF Bradwell Bay Preservation Group seeks to preserve the history of
the RAF in Bradwell on Sea. We are planning for a museum near the
memorial.

October Village View

All copy for the September Village View should be sent to Roger Scurrall by phone (776341), posted through the letterbox of 6 St Thomas' Row, Bradwell, or by email to the address below, all by August 15th. We do not accept articles after this date.

Copy may also be submitted as a text or Microsoft Word or Publisher file, either on CD or, better still, by email to stthomasppcc@btinternet.com. We ask you to limit your article to 300-350 words and please include a picture.

Bradwell-on-Sea Village Hall 100 Club

The 100 Club has now been running for two years. We have raised £961.00 for Village Hall refurbishment funds. The £514.00 raised this year is made up of income from 100 club subscriptions, prize draw winners donating their prize to the 100 club funds. The prize money paid out is £600.

The Village Hall Trustees, we would like to thank all 100 Club members for taking part in this fundraising activity raising money for our hall.

During the year the Village Hall Trustees have purchased new toilet roll holders, replaced old light fittings with energy saving LED fittings, with the remaining money put aside in the Refurbishment Fund for the Hall electrical work.

The Hall relies on grants from various Grant making Bodies such as the windfarm and Magnox to carry out refurbishment work as the income from hall hiring barely covers the running of the hall. It is easier to get grants if you can show to grant making bodies that we are attempting to raise money towards the Project in hand.

We invite you to join our 100 club in the coming year. The cost is £12 per year to enter the 13 draws. Monthly prizes will be £20.00, £10.00 and £5.00. At Christmas a bonus draw of £130.00 and £50.00 will be paid to two lucky subscribers. If more than 100 people subscribe the prize money would be increased accordingly. If 100 subscribers join, we will raise £600 for Village Hall funds.

The first prize draw will be in September 2026 and thereafter on the 1st of each month.

If you would like to join the 100 Club, application forms are available from the Community Shop and Village Hall or sent to you on request to the numbers below. Alternately phone or email to register your interest. Subscribers may pay for more than one number.

Roger Scurrall 01621 776341 or message on 07710868491,
bradwellvillagehall@btinternet.com.

Lastly thank you for your support and that you will continue or join and support us

Bradwell-on-Sea Village Hall Trustees 100 Club

Charity Number 803054

The Bradwell Village Hall 100 Club draw results for August 2026 are as follows.

1st Prize Number 95 Margaret Smith

2nd Prize Number 55 Cathy Prout

3rd Prize Number 93 Kerry Whyte

The next draw takes place in September. if you would like to join the 100 Club please fill in form available in the Community Shop of the Village Hall or phone or Text 07710868491.

The Othona Community

Jan Marshall, daughter of our founder Norman Motley, opened the week of memories of our earliest days. Jan recalled life in the Old Field, with primitive conditions for sleeping, collecting water on the way back from worship in the Chapel, and the real and lasting friendships made between people of all ages, faiths, nations and backgrounds. Other leaders of our reflections included Colin Hodgetts, resident warden in the '70s, who brought music to The Psalms, an orchard beside our newer buildings, and a year-round presence and staff team supporting the increasing number of people visiting from around the world.

Many familiar faces joined in with newer arrivals, including lots of children, for a wonderfully sunny fortnight ideal for outdoor games and community swimming! After a lively Saturday night party with music, fun, and delicious food from our volunteer cooks, the Othona Community led the Sunday Evening Service in St Peter's Chapel, as part of the diocesan series of summer services in the Chapel, with much joyful singing.

Looking to the future, the second week, drew a large number of resident and day visitors to discuss, draw, write, and consider Othona's place in a changing and challenging world. Andrea Misler, part of the Community from Germany, launched her PHD thesis book, "The Othona Community: a strange phenomenon," now available from Othona at a special price of £12, money to the Community's funds. A showing of the widely distributed film "National Emergency Briefing" set out clearly the cause and effects of climate change, and the political, personal and community actions we can all take, to protect our planet and it's future generations. Othona has long embraced climate resilience in our policies of optimising the power of wind and sun, growing fruit and vegetables, and creating sustainable habitats for wildlife. We plan to do build on this, relying on local and international volunteers, and working alongside like-minded groups and individuals in practical action, and in sharing the word. Thinking locally, and working together, is more fun and gives us hope for the world our grandchildren will inherit from us: if you share this vision, you are welcome to contact Othona or follow developments in our Website.

An open Bradwell Centre Committee Meeting completed the fortnight of reflections and hopes, led by trustee/Bradwell Chair Steve Barnes. Led in prayer, and in the spirit of Christian Community, participants heard of the achievements of the last year, from the number of people who have come

with "outside" groups and become included in community, to the almost completed complex drainage works, thanks to amazing donations of money, time and skills. This year has seen a turnover of staff, so we will soon be seeking new people to manage, cook and support Othona Bradwell alongside our small, dedicated ongoing team of paid people and volunteers. Othona's Charitable structure, including the Bradwell Essex and the West Dorset centres, has been simplified this year. Membership was discussed, and finances were reviewed, noting higher expenses but a good number of paying visitors, and a number of building and maintenance projects needing income to sustain our site for the future. Donations and legacies are always appreciated, ask the office or see the website for ways of giving.

We have acting warden/managers over the winter, so you will see some familiar faces returning. The programme is subject to change, please contact us for more information or to book an event or a meal. All are welcome. Othona Essex website, www.othona.org

The Sower

He works beneath the morning sun
He scatters wide the seed;
Rests not before the work is done
That bread may fill our need.

Some fell upon the hardened way
Where clay was hard as stone,
Birds ate the seeds right where they lay
And none was left alone

Some landed on the rocky soil
Soon sprang their leaves of green –
To wilt beneath the sun's dread boil
As if they'd never been.

Some fell among the choking weeds
The tares took all the light;
Their growth then overwhelmed the seeds,
Which disappeared from sight.

But some fell on the fertile loam
The rain fell from the sky
A hundredfold their seeds had grown
As they grew strong and high.

Let not your heart be made of stone
Nor fail when troubles come;
By no foul sin be overgrown,
But thriving 'neath the sun!

By Nigel Beeton
