

BRIAR ROAD ALLOTMENT HOLDERS ASSOCIATION

Dear Plot Holders,

We're sure everyone's hoping that the weather settles soon – glorious weather one day and snow the next isn't ideal! The site is certainly getting busy though, and it's great to see so many getting ready for the growing season.

SEED EVENT - SUNDAY 18th APRIL – 10.30am – 3.30pm: We had plenty of seeds left over from our event in March which raised £22 and it's not too late for sowing! Please come along to the community hut and help yourself to seeds. There will be an honesty box for any contributions which will be gratefully received. There may also be a few plants available to purchase on the day.

MAY PLANT SALE – SUNDAY 16TH MAY – 11am – 3pm: A reminder of our plant sale which will be held at the community hut. We'd be grateful for any spare plants you may have, so hopefully everyone has put in a couple of extra seeds as you've been getting your planting underway!

COMPOST / MULCH AVAILABLE: Volunteers have opened Compost Bin 3 at the communal compost area and removed as much of the woody material as possible. Please come and help yourselves.

RECYCLE TABLE: A quick reminder that we have a recycle table by the noticeboard at the Andover Road entrance. It's there for people to place items that they think other plot holders would be able to use. Unfortunately, it often gets overwhelmed by items that really should be put in the bin. It takes a lot of volunteer effort to clear up and the council may refuse to empty the bin if it's abused. **PLEASE** - if you don't think someone would want it, put it in the bin or take it away.

WOODY WASTE REMOVAL: We're still waiting for a date from the council for the disposal of our woody waste and hoping for a date soon. In the meantime, please dispose of your waste yourselves if you can – if not, please hang onto it on your plot - please don't put it in or behind the communal compost or in the council green bin. As soon as we hear anything, we'll let everyone know.

Kind Regards

BRAHA Committee
