

BRIAR ROAD ALLOTMENT HOLDERS ASSOCIATION

Dear Plot Holders,

**Help ETNA community café turn unwanted food into hearty meals**

Awash with beans and courgettes?

We're donating our unwanted fruit and veg to the [ETNA community Café](#) in East Twickenham.

**How you can help**

If you've got crops you can't use, pop them into the donation box at the hut. We'll collect it on a Sunday morning and take it to Etna on Monday. Or you can take it there yourself, if that's easier – just say you're from Briar Road Allotments.

**What Etna café does**

They take leftover food from supermarkets and shops, to make fabulous dishes to serve at their community café.

It's open to anyone, on a pay as you feel basis. It's been a lifeline for people struggling to make ends meet during the pandemic, or who feel a bit lonely.

**SHED AVAILABLE:** The committee has been offered a shed, free to anyone willing to dismantle and collect it from Whitton

Brief details are:

Size: 6ft x 4ft

Style: Pent roof, front opening door, window to front

Fair condition but requires some attention to the floor and roof

**ACCESSIBLE PLOTS PROJECT:** We made a great start clearing Plot 35 for the project but have been hampered in recent weeks by the delay in getting rubbish cleared and the weather, which was too hot and then too wet to get anything done!

We're planning more volunteer sessions soon and hope as many of you as possible will be able to get involved. The council funding has arrived in the last day or so, and whilst it won't cover all that we need, it means we can start planning properly.

Kind Regards

BRAHA Committee
