

Dear Plot Holders,

This Sunday we are going to open up the communal compost bins so there will be free compost for all. Just turn up between 10.30 and 12.30 with a wheelbarrow and help yourselves. If you don't have a wheelbarrow there are always people who are willing to share. The last time we did this it was very successful.

CANCELLATION: Please note that the B.B.Q. we were planning to hold this Sunday has been cancelled. A new date will be circulated soon.

REMINDER: The Annual General Meeting of Briar Road Allotment Holders is on Saturday 16th June at 11am. Refreshments from 10.30

CONTROLLED PARKING ZONE. This comes into force next week down Andover Road and the surrounds and the Committee has been working hard to get some concessions for plot holders who need to use a car. The fact that we were not consulted has meant that several councillors have got involved. We know some concessions have been agreed by cabinet but we will not know what they are until the ward councillors have been consulted. For those of you who live in the area we understand the need for the parking zone but do not want to lose plot holders because of the restrictions, particularly the elderly. I will keep you informed.

Kind regards,
Gill
