

BRIAR ROAD ALLOTMENT HOLDERS ASSOCIATION

Dear Plot Holders,

SEED EXCHANGE – SUNDAY 15TH MARCH – 11am – 1pm: A reminder that our seed exchange is this Sunday! Come and say hello - refreshments will be available.

Come along to the community hut with any unwanted seeds and help yourself to seeds that others bring. Don't be put off if you have no seeds to swap - you can still take part and could make a small contribution for your seeds. Members of the committee will also be around with advice for the forthcoming growing season

COUNCIL SHREDDER VISIT – SATURDAY 21ST MARCH – FROM 8am.

Council contractors will be on site to shred our non-compostable woody material on Saturday 21st March from 8am. Please bring your material along to be shredded on the day if you can – if you're not able to attend on the day, please place your woody material in the area adjacent to the communal compost bins.

N.B. The shredded material is expected to be composted – please don't add anything that can't be composted or shredded to the pile such as soil, bind weed, horse tail etc.

PLOT NUMBERING: We've embarked on our project to mark out each plot, but it would really help us if everyone could clearly show their plot number somewhere on their plot – on the shed, water barrel etc or on a post driven into the ground alongside the path leading to your allotment if there isn't a marker there already. Again, please speak to any committee member if you require help or assistance

We hope to see you at the seed exchange on Sunday

Kind Regards

BRAHA Committee
