Volunteer Morning and Seed Swap - Sunday 17th March 2019

Dear Plot Holders,

Spring is nearly here and it's time to be getting ready for the new season. Why not come along to our seed swap and volunteer morning this weekend?

Sunday, 17th March at 11am?

This year we are combining the volunteering with a Seed Swap which we will hold in the Communal Hut. Come along with any unwanted seeds and help yourself to seeds that others bring. Don't be put off if you have no seeds to swap because you can still take part and could give a small contribution for your seeds

This time of year there are lots of jobs that we need to do on site, so if you could spare us a couple of hours it would be really helpful. On these occasions there is always such a lovely community spirit and it is really enjoyable.

We're also hoping to dig out one of the communal compost heaps, so come and give us a hand and bring a bag for some **FREE COMPOST!**

Site Security - Please remember to lock the site gates as you enter and leave - we've had a few concerns raised by plot holders and neighbours recently about the gates being left open and people being spotted on site who shouldn't be there. Sadly, we've also had rubbish brought in and dumped from outside which we then have to try to dispose of. We want our plot holders and neighbours to feel safe, so please make sure the gates are locked at all times.

Many thanks and hope to see many of you on Sunday

Kind regards

Gill
