

**CHURCHILL AND LANGFORD MINIBUS SOCIETY**  
(Reg Charity, Providing Community transport since 1974 )

The Minibus Society currently provides community transport for residents living in the villages covered by the parishes of Banwell, Burrington, Churchill, Shipham and Sanford/Winscombe. Membership is free and covers all ages. We run both a monthly ,regular scheduled services (to supermarkets/shops, the church lunches etc).We also provide unscheduled social trips for society members / charities and organisations residing in the parishes that we cover. (We provided over 50 of these in 2018). One of our two minibuses is fully adapted to carry disabled wheelchair users and people with mobility issues. Drivers receive full training and support.

**Due to an ever growing demand for community transport that we can provide, we need to recruit more volunteer drivers and organisers . Could you spare a few hours each month?**

**If the answer is YES then please contact the Society on 01934 852589 to discuss how you can help.**
