

WILSON HILL WINES - 18th July, 2024

Nick Britten opened the meeting informing members of ideas the Committee has been discussing, as follows:

- a) An evening of wine tasting at Waddesdon Manor
- b) The possibility of a trip abroad visiting various Wineries
- c) A newsletter
- d) Members will be invited to put forward suggestions as to events they feel would be of interest to the Buckingham Wine Circle.

Nick then introduced Henry the presenter for the evening. Henry's company, Wasson Hill Wine, at the time of the meeting had been formed ten months ago, and is based at Aspley Guise, Bucks. Henry brought a selection of six wines:-
