

EGMOND WINES

Our presenter from Egmond Wines, Preet Sahota, was making a return visit to the Buckingham Wine Circle, so popular were his wines on his first visit in 2023.

The wines Preet presented were Single Vineyard Wines from the Southern Hemisphere.

1. Cloudskraal Sauvignon Blanc 2024, SA. Special price £12.99 - 13.5%

A brand-new own appellation- from a 20 year old single vineyard comes this exquisite Sauvignon Blanc. The family have owned the farm for 200 years and diversified into wine making.

2. Te Mata Estate Sauvignon Blanc 2021, New Zealand. £9.99 - 13%

Single vineyard Sauvignon Blanc from New Zealand - from Hawke's Bay! This is a three-year-old wine.

3. Neil Joubert Gruner Veltliner from South Africa. £9.99 - 13.5%

The first and only Gruner Veltliner from South Africa. Ages gracefully. The third commercial release of this wine.

4. Torres La Causta 2019, Chile 2019. £8.99 - 13%

One off parcel of this beautifully scented and balanced Cinsault - from 85 year old vines.

5. Hidden Cape Grenache 2019, SA. £9.99 - 14%

One off parcel of this perfumed Grenache - thrives in warm climates. However, unfortunately the vineyard was ripped out.

6. Villa Muscat d'Alexandrie 2022, SA. £14.99 - 12%

A luscious straw wine from a single vineyard planted in 1969. The best of the grapes are placed on a straw mat for two weeks to drain out the juice.

There are 250 wine makers after this grape.

This was another interesting presentation from Preet who travels quite a distance to come to Buckingham. However, his endeavours were rewarded by the orders received for the wines presented.
