

BWC Annual Christmas Dinner – December 2023

This year our Annual Christmas Dinner was held at Villiers Hotel, Buckingham. Many members attended, which included many new members. The atmosphere was convivial and relaxing, with everyone enjoying each other's company. We met in the bar for a pre-meal aperitif, before entering the dining area.

We all agreed the food was excellent and the service exemplary. Sally, on behalf of everyone, thanked the Committee, but most importantly, Viv, whose exemplary organising skills made the event such a success.

We now look forward to another enjoyable year with the Buckingham Wine Circle, which combines an environment for socialising while enjoying the wine tasting events organised by the hard-working Committee.

HAPPY NEW YEAR
