## Berkshire Junior Chess Training

**2015/16**

21<sup>st</sup> November 2015  
16<sup>th</sup> January 2016  
5<sup>th</sup> March 2016

[www.bjca.org.uk](http://www.bjca.org.uk)

## Introduction

After three successful training events last season (with many children taking – many passing with distinction – Institute of Chess exams), and the fine performance of Berkshire Junior Chess squads at last season's inter-county tournaments, BJCA is pleased to offer a schedule of three Saturday morning junior chess training events for the year 2015/16. The training events will precede an SAE taking place at the same venue. The three ability groups will ensure all ranges of abilities, from the less experienced to strong county players, will be accommodated.

The training will again be run by trainers from the Institute of Chess (IoC), and experienced professional trainers. Group 1 will learn IoC Level 2-3 principles, and Group 2 Level 3-4 principles. Group 3 will be more advanced and less structured, but will generally correspond to Level 4 and beyond. For IoC materials and comprehensive syllabuses for each Level see: <http://www.instituteofchess.co.uk/>.

Optional IoC exams will also be offered at the end of Sessions 2 and 3 (for which going over the relevant syllabus with your child would be recommended).

Please send any questions you may have on the training to: [training@bjca.org.uk](mailto:training@bjca.org.uk).
