

CAMBERLEY NATURAL HISTORY SOCIETY

The Society was founded in 1946 to study natural history in its broadest aspects. The programme of activities throughout the year consists of monthly indoor meetings for members to hear lectures, to see slides and to discuss observations. There are regular outdoor meetings to places of interest. Social events are also organised.

Indoor meetings are held at:

High Cross Church, Knoll Road, Camberley
at 7.30 pm on the first Thursday of every month except August.

Visitors are very welcome and are encouraged to attend. A donation of £3.00 per visitor would be appreciated if the meeting has been enjoyed.

The Society is a member of the Blackwater Valley Countryside Trust and the Haslemere Educational Museum.
