2012 show*

A Big Thank You!

Another successful Catforth Daffodil Show was held on Saturday 24th March judged by Ian Tyler of Standish, one of the country's leading authorities.

The lovely weather played a vital part in ensuring a record entry of 180 vases consisting of approximately 400 blooms. The class for a bowl of daffodils was also well supported.

Best Exhibit in Show was won by Keith Capper from Bury, who also won the Bronze medal for Best Bloom in Show. Andrew Clark won the Eileen Alty Memorial Trophy; Eileen would have been really pleased at this result. He also won the trophy for the Best Exhibit of Miniature daffodils.

The massive support of so many people in sponsoring classes, donating prizes, providing food and financial backing, not forgetting the generosity of the Village Hall Committee, meant that we were able to donate £350 to Cancer Research UK.

A sincere thanks to all our many supporters and we eagerly look forward to next year's show.

Yours sincerely,

Ian, Tom and Andrew

Don't forget to put next
year's show date in your
diary!
