

CHARNDON PARISH COUNCIL

COMMUNITY HALL & GROUNDS MAINTENANCE DAY

Sunday 3rd September 10:30

Community Halls play an increasingly important role in bringing local communities together. They offer a focal point for neighbourhood activities and a base for local groups.

Charndon Parish Council is welcoming help from residents to give the community hall and grounds a clean and general tidy.

If you have the time we'd really appreciate your help, please wear old clothes that you don't mind getting dirty.

Some items on the to do list include:

- Deep clean the kitchen
- Empty and clean out the garage
- Check and clean tables and chairs
