

Have your say on your roads

You can have your say on your roads and transport locally by completing a short survey. As part of a new campaign to promote the work of their highways service, Lancashire County Council is encouraging people to complete the National Highways and Transport (NHT) survey, which measures public satisfaction with services across different local authorities.

The campaign will also focus on their work fixing around 40,000 potholes a year, and ask people to report potholes on their website. This year, the council will spend £24m to maintain Lancashire's 4,600 miles of highways and 5,300 miles of footways. Continued investment has improved the condition of the county's roads, and helped to reduce the number of potholes by 38% in the last two years.
