9PLANNING

All relevant plans were reviewed and discussed. NO OBJECTIONS

RVB Cll S.Hore informed the P.C. that The Wild Boar Park in a neighbouring parish had been sold and the new company that had bought it was planning to house 2 long HGV and trailers , which are to be used for transporting large mobile homes to and from the site.

Councillors are all aware of the narrow windy access roads to reach The Wild Boar Park, and agreed the movement of such vehicles through this area is totally inappropriate.

The Chairwoman to contact R.V.B.C. with the Chipping Parish Councils objections.

A second plan to the same neighbouring parish was also brought to light, plans to change Leagram Lodge into a childrens home. The lodge is remote without public transport and away from any facilities for young people. Unsuitable for this change of use.
