Agenda item

1 PLAYGROUND/ SKATEPARK

Komplan to complete groundwork in the next two weeks, rotovating and seeding. May be necessary to erect fencing.

Play dale have given a quote for the next phase of the refurbishment. Appears better company to work with ,better safety better reliability reputation. Council will look into next stage in the future.

Fence at the rear of the playground rotten ,Councillors will inspect and decide if it needs removing .Wire to be placed in a position to stop dogs entering the play area.

Clerk to write to Steven Taylor to thank him for the excellent work he has done repairing the skatepark wall .Also for the splendid job done pointing the War Memorial steps.

2B4RN

388 Properties have now been connected. Users are very pleased with the excellent service.

The next stage is Bradley Court.

VILLAGE HEATING PROJECT

Committee of 3 councillors plus volunteers to oversee feasibility study, for which a grant has been applied for.

Grant money from L.C.C. Sean Turner L.C.C. very favourable to project. Prospus is the preferred company for the working party to work with. Very important for Chipping to source alternative energy as it is off the gas grid, some homes are heated with solid fuel others Calor gas with others using oil. The oil boilers to be phased out by 2026. Therefore quite urgent to find alternative heating systems. Prospus appears to have the best approach suggesting bore hole close to properties. The group will probably be looking for twenty properties to experiment on. The group will write a contingency plan for expenses

THE MOTOR RALLY

Held in the Chipping and district 18/19th March 2022.

The event proved to be a great success. The organisation was brilliant and the disruption proved to be far less than expected. The groups involved are looking forward to holding another rally in the near future. A donation of £500 to be presented to the Village.

QUEENS PLATINUM JUBILEE CELEBRATIONS

An engraved stone is to be erected on the village green to commemorate the Platinum jubilee.

An itinerary of events has been put on the web site the notice board and facebook. Also it has been delivered to every house.

John Stott to be asked if some chairs could be borrowed from the Chipping Show and if he would deliver them to the playing field at the back of the schools for the picnic. Everyone in the Village should be aware of all events.

PLANNING

All relevant plans were looked at and discussed by Councillors. There were no Objections

The planning application for the Talbot is to be discussed by the planning committee on Thursday 19.5.22. Cllr. Hunt and R.V.B. Cllr Hore are to attend the meeting to support the plan for the village property.

Councillors agreed to write to R.V.B.C. to suggest a compromise plan for the advertising boards planning application to be placed on the perimeter fence of the playing fields...

R.V.B.Cllr thanked Cllr Donnelly for all the hard work she has done for the Village over the last few years .Chipping Parish Councillors seconded this and thanked her and wished her and her husband well in their new home.
