OPEN FORUM

Residents of Fellside pointed out that waste bins were not collected and emptied .councillors replied that in their experience i f unemptied bins were reported to the Clerk R.V.B.C. would empty the bins the next day.

Regarding the overflowing street litter bins , each one has a sticker with a telephone number to call if full between collection days ,These calls are

acted upon very quickly. A street bin was requested to be placed nearer to the Fellside estate.

Residents reported ,no footpath from the estate , Old Hive, to Church Raike. It was pointed out there is a safe footpath on the Kirkfield side of the estate into the village and schools.

Cllr. Swarbrick will work with the community collectively , re traffic safety plan,parking enforcement on double yellow lines and the travelling at speed of cyclists through the narrow streets of Chipping. Will also try to encourage the use of the carpark.

Schools safety campaign to be launched in September.

Possibility of speed monitor.Lollypop road safety people also discussed.

It was stated that the area needs to be viewed at busy times.

Cllr. Swarbrick would appreciate any photographic evidence of cars parked on double yellow lines or any vehicles travelling too fast through the Village.

Clerk to meet with Cllrs, to determine use and position of roundalls on Village roads, and report back to Cllr. Swarbrick.

Also to see if any of the Chipping street waste bins could be moved to another position.
