The group is affiliated to the national Friends of the Earth community but are completely independent from it. The group started in 1972 and campaign on most environmental issues.

BFoE have a core group of enthusiastic campaigners but are always ready to welcome new faces and new ideas. The biodiversity within our borough is wide ranging and BFoE campaign vigorously to uphold it, as well as supporting campaigns nationally and internationally.

Being a large group, Bromley Friends of the Earth campaign on most issues:

- Climate
- How we use our planet's resources
- How we dispose of them

The group hold days of action, stalls, give talks to interested groups and schools, publish a monthly newsletter, and hold a public meeting each month. The group also arrange outings for members, fundraise, and create information leaflets.

Monthly meetings are held at the Friends Meeting House, 46 Ravensbourne Road, Bromley BR1 1HP on the first Tuesday of each month, from 7.30 pm - 10.00 pm, covering a variety topics, very often with a speaker for the first half. The meetings are always open to non-members.
