

TBB Food Partnership

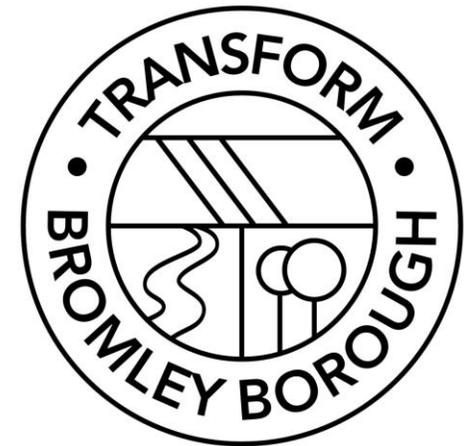

Working in partnership across the borough to support residents experiencing food poverty

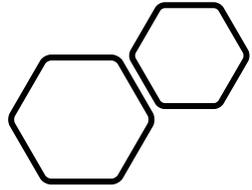

London
Faith & Belief
Community
Awards 2021

Winner

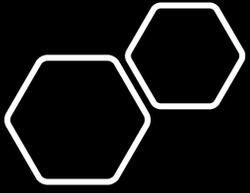

An initiative of The Faith & Belief Forum

Background and COVID-19

- Bromley Borough Foodbank (Trussell Trust) established in 2010 with 4 centres across the borough
- Nine other church-based foodbanks across the borough (some >10 years)
- Most of these churches are part of Transform Bromley Borough (TBB) - a network of churches across the borough from a variety of backgrounds
- In response to COVID-19, Bromley Borough Foodbank, TBB and Bromley Council met with Fareshare on 16 April 2020
- On 22 April 2020, TBB agreed to establish a food distribution warehouse in one of the churches and coordinate supply to the network of existing foodbanks.

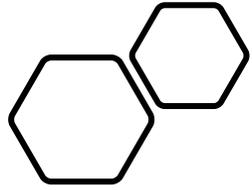

Serving our borough

- First delivery to the 'TBB Food Partnership' warehouse on 30th April 2020
- >1,500kg food from FareShare distributed to residents via 12 TBB Food Partners per week
- Successful funding applications:
 - Community Links Bromley
 - London Funders
 - Clarion Housing
- Continued to operate throughout the pandemic and beyond

Awards 2021
Winner
An initiative of The Faith & Belief Forum

Current situation

- TBB Food Partnership is now distributing food to around 1,000 residents each week, through 12 Food Partners located across the borough
- We have an established Partnership agreement
- Winner of 2021 London Faith & Belief Forum award
- Funding is being used to increase fridge and freezer capacity for our Food Partners and supplementing food provision with additional fresh produce.
- We are also seeking to support the establishment of two new Community Fridge provisions, one in the Crays and the other at two locations on Coppice Estate & near Turpington Lane

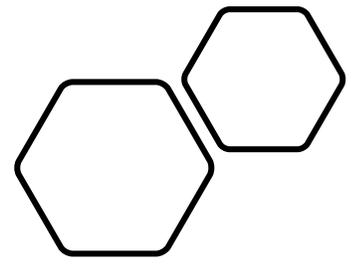

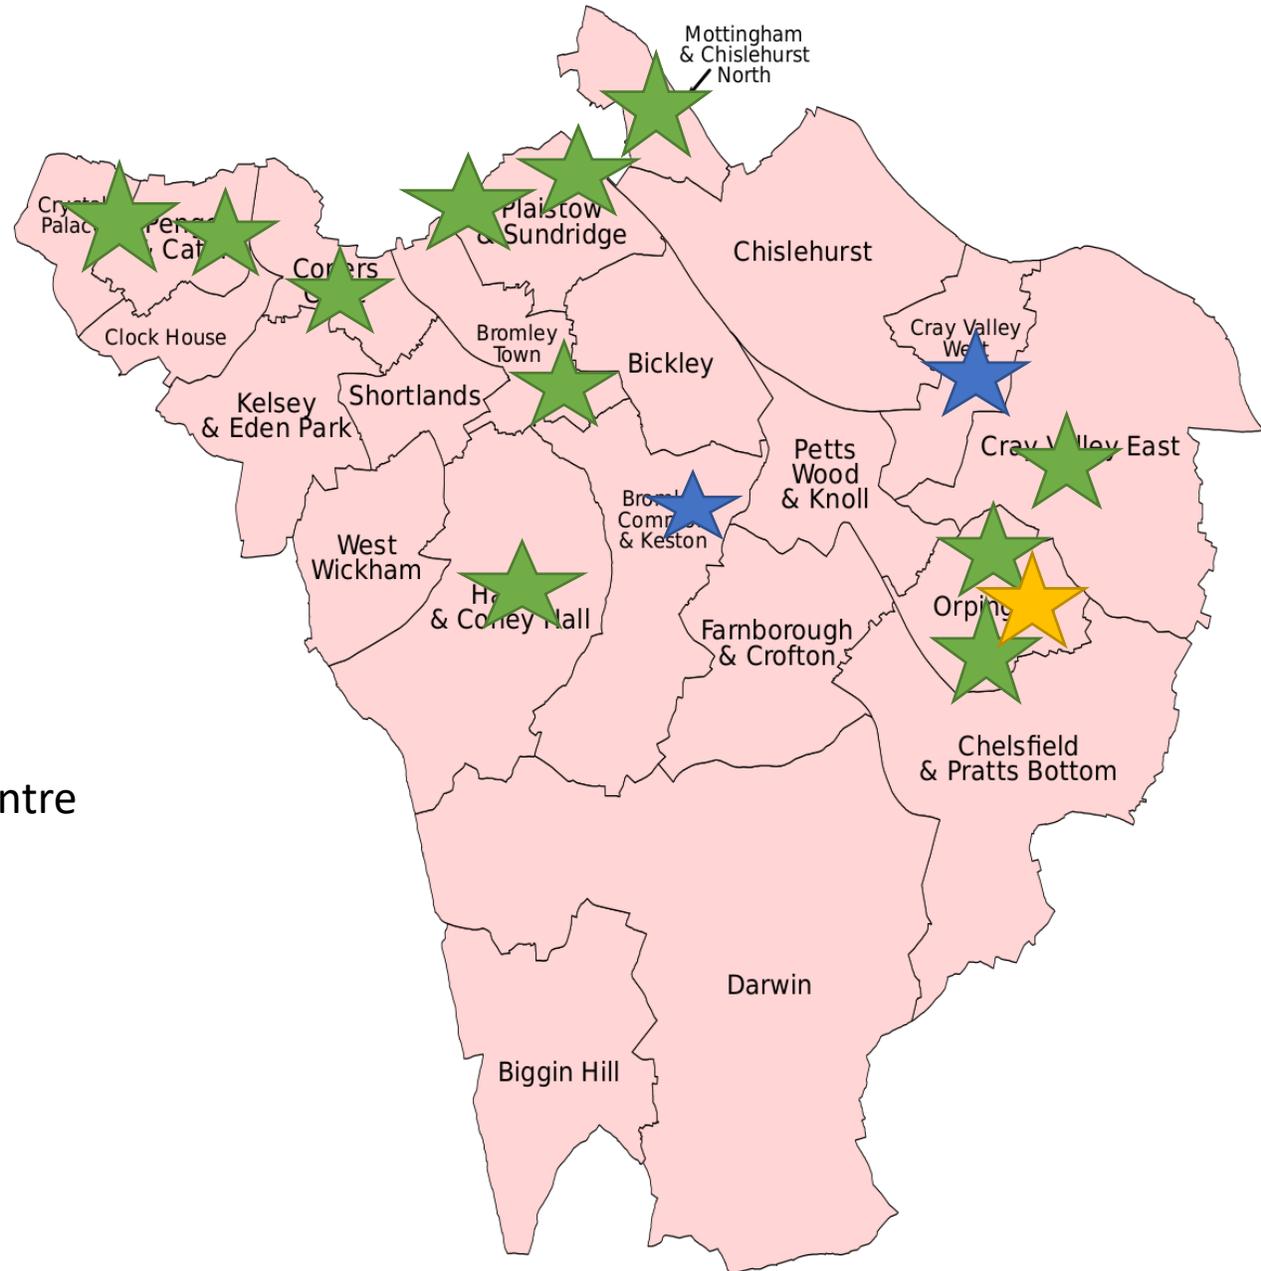

The future

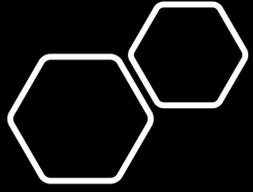

- Planning for COVID-19 recovery and the longer term:
 - Continuing to liaise with Bromley Council and Community Links Bromley to support residents more effectively in relation to food poverty
 - Applying for further funding
 - Identifying additional sources of food supplies.
