Rampage Life Skills is a small, relaxed group with no more than 8 young people per session. Sessions are planned and adapted according to those who are attending and young people are supported to give their input and ideas.

**BBC Children in Need
2013**

A boxing taster session!

We get together to chat about a variety of topics: eating healthily, trying out new sports, looking after yourself, managing money, using transport, relationships, using the internet safely etc.

Sessions are practical—snacks, cooking and trips are included – **we want sessions to be relaxed and fun!**

All sessions are free!

For more information and an informal chat, please contact Sam Ward—Outreach Worker on 07792 552767 or email me at: sam@bathareaplayproject.co.uk
