

External Crèche Service Costs

The Crèche service can be booked for a minimum of two hours with a minimum of two staff for one off events, a regular weekly session over a period of weeks, monthly or dependant on whether your session runs or not.

Two staff could care for:

4 children under 2 years or

2 children under 2 years and 3 children aged 2-3 years or

3 children aged 2 – 3 years and 5 children aged 3+ years

This is dependant on level of need.

Please give as much notice as possible (one week) is preferred or the minimum would be 36 hours to allow for staff and resource availability.

The starting rate for provision of a Crèche staffed by qualified, DBS checked and first aid trained staff would be from £95 plus mileage for any travel out of Bath. This includes administration, staff costs including NIC for a two hour session and setting up and clearing away.

There is an additional charge for provision of toys and equipment so this price assumes that these will be provided.

Where regular sessions were booked following on from the initial session, the charge for a two hour session with two staff, once a week would then be £90. Any additional staff would cost from £43 per week.

For example, a 6 week two hour crèche requirement would cost from £540, assuming the ages of children needing care are within the ratios of two staff. For a crèche requiring three staff, a two hour a week crèche requirement would cost from £810 over 6 weeks
