

Best Play Objectives

Objective 1

Children have choice and control of their play; the freedom they get from their play and their satisfaction from it

Objective 2

Children are able to test boundaries and staff support this to happen

Objective 3

Children are able to take risks and experience challenging play whilst staff keep them from harm

Objective 4

Children can maximise opportunities for play – every chance to improve/ enhance opportunities is taken

Objective 5

Children develop independence and improve self-esteem and self-confidence

Objective 6

Children are encouraged to respect each other and to socialise both in and out of their peer groups / group activities

Objective 7

Children are given opportunities to be healthy, develop knowledge and understanding, be creative and explore their emotions and their physical capabilities
