## **Curo: a caring landlord**

Curo provides homes for around 25,000 residents in Bath and North East Somerset and in other parts of Somerset, Wiltshire and Bristol.

## **Aim of the Curo Community Chest**

The aim of the funding is to enable you to receive funding to support your project as well as helping us to meet our Social and Economic priorities for Combe Down including Foxhill.

**(see [www.mulberrypark@curo-group.co.uk](mailto:www.mulberrypark@curo-group.co.uk) for a copy of the plan)**

## **How much can I apply for?**

The Grant aims to support both those who require a fairly small amount of funding as well as groups who require more substantial funds to run a project or an event up to a maximum of £5,000. We do require you to have sought some match funding for our larger grants.

## **What sort of projects do you fund?**

Any activity that helps to achieve our social and economic plan for Foxhill and Combe Down:

- Local initiatives benefitting the Combe Down Ward including Foxhill
- Target services on priority groups such as young people, older people and arts projects
- Contribute to outcomes from the Social and Economic Plan for Foxhill and Mulberry Park.

**Projects must benefit Curo residents.**

## **What won't you fund?**

- ongoing revenue costs such as salaries / wages
- large capital projects such as building works
- Priority is given to those groups and organisations who haven't applied for funding previously.

## **Criteria – who can apply?**

We welcome applications from local residents and voluntary and community groups whose projects will benefit the Combe Down Ward, including Foxhill.

To apply for over £500 you will need to show that your group:

- Has a set of rules or constitution
- Has a bank account or access to the bank account of a nominated organisation
- Has met the grant conditions of any previous Curo Grants.
- Has sought or secured funding from other sources
- Ticks at least one of the objectives on the Curo priorities checklist attached
- Benefits Curo residents

To apply for a grant of £500 or less, you do not need to have your own bank account but will need permission to use an account of a group that does have one.

Finally,

- First time applicants will take preference over repeat applications.
- Projects must only benefit residents living in the Combe Down Ward, including Foxhill.
- Applicants must understand that their event is privately organised and therefore Curo has no responsibility or liability towards such an event
- Organisers must ensure that they have sufficient insurance cover in respect of general public liability, damage or loss and any health and safety matters
- For grants over £500, your last annual accounts must be enclosed with the application form, together with income and expenditure information to date

## **What happens next?**

Once we have received your application we will look at your application before it is put before the Approval Panel. They may need to contact you for further information.

This will need to be completed and returned so that payment can take place. If we do not receive a signed acceptance form from you within two months, the offer will be withdrawn.

## **Monitoring and Evaluation**

Three months after a grant has been paid, or the project start date, the Approval Panel will ask for an Evaluation Report on how the grant has been used and we will send you the appropriate Evaluation Form to complete.

We ask that you take some photographs of your project/activity so that we can have a permanent record and can use these in Curo publicity and promotion materials about the grant.
