

Bath and North East Somerset Parenting Strategy Action Plan 2017-18

	Action	Intended Impact	Responsibility	Timescale
1.	Map parenting early interventions in the voluntary/independent sector and work with Mel Hodgson to get it published on the website.	Better quality information for parents and greater take-up of support	Cheryl Unthank, Trauma Recovery Centre (for Voluntary Sector Network)	
2.	Review the interface with Health Visitors' and School Nurses' support for parents		Heidi Limbert, Children's Centres Manager	
3.	In partnership with schools, Children's Centres, Youth Hubs and housing providers, establish a pattern of locality-based workshops on key topics for parents / carers	Open access to information about keeping children safe and other aspects of parenting	?	
4.	Introduce a set of Quality Standards for parenting assessment (and planning and intervention?)	Support a consistent standard of integrated work with parents / carers	Sally Churchyard, Head of Young People's Prevention Service	
5.	Ensure work in developing early help pathways to support includes the needs of parents	Promotion of whole family approach	Debbie Forward, Senior Commissioning Manager	
6.	Ensure work in developing a data set for measuring outcomes includes work with parents	Demonstrate effectiveness of parenting work and inform future commissioning	Debbie Forward, Senior Commissioning Manager	
7.	Support the development of Family Group Conferencing within children's Social Care and explore options for extending this to complex early help work	Empower families to make decisions for themselves	Paula Bromley, Head of Children and Families Service and Sally Churchyard, Head of Young People's Prevention Service
