The 'Access week' helps to motivate young people through a mix of team building, adventurous activities (such as rock climbing and canoeing) and a 2 night residential. The follow on calendar of workshops is the main meat of the programme and these cover everything from employability skills and qualifications through to life skills and confidence boosting activities. Fairbridge offers young people more flexibility and choice to lead their own personal development alongside their Fairbridge staff mentor, who they work with closely during additional one-to-one sessions.</p>	<p>Induction Date: This is a short one-to-one session to go through the programme with a Fairbridge staff member in a bit more detail. We have slots available throughout the week: Monday 5th – Friday 9th June at various times throughout the day Group induction: Wednesday 14th June 11-1pm at our centre. This is an opportunity for the group to break the ice and find out more about their Fairbridge journey. Not compulsory but recommended! Access Week: Monday 19th – Friday 23rd June. An exciting week of adventurous activities with a 2 night stay in either Wales or the Forest of Dean. Plus an entry level qualification! Follow on sessions: These can be chosen from our monthly calendar of workshops – we recommend completing a minimum of 6 workshops. Plus book in regular one to one sessions with your Fairbridge mentor.</p>	<p>We can help young people move into employment, training, apprenticeships and more. We normally spend between 80 and 100 hours supporting each young person on Fairbridge. However, if more sessions are required then that can be provided.</p>
