

Feedback from Volunteers:

"Thank you so much for an incredible 2 weeks, I have gained so much confidence and experience from the SOFA project. I was able to speak so enthusiastically about my summer that I have now been offered a place at University! I am looking forward to volunteering next summer!"

"I am very thankful for how welcoming everyone has been at The Hut, they made me feel very good and I enjoyed my time there."

"Thank you for giving me the opportunity to get involved I have thoroughly enjoyed it."

What you can gain from Volunteering:

- Experience working with children and young people.
- Work alongside and with the support of experienced staff.
- Regular supervision and training opportunities.
- Opportunity to bring hobbies, skills or interests into practice working with children such as sports, art or drama.
- Team work.
- Communication skills.

How do I get involved?

Volunteers are hugely important to supporting the running of our services and maintaining our play spaces.

To apply, please download, complete and return a volunteer application form from:

<http://www.bapp.org.uk/support-us/volunteer/>

Bath Area Play Project is committed to safeguarding children.

All volunteer placements will be subject to satisfactory references and enhanced DBS disclosure.

What Opportunities are there?
