

Your new Rainbow Resource is here

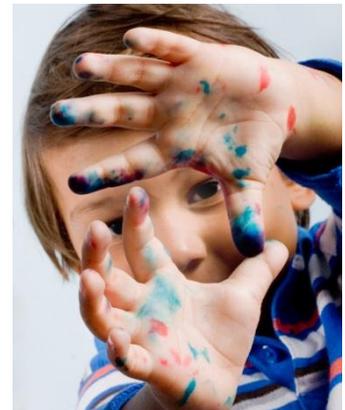

The redesigned site is now live!

Rainbow Resource has been a popular and well-used resource for young people with Special Educational Needs and/or Disabilities and their families for several years. Following consultation with parent carers and other stakeholders, a decision was made to redesign the site to make it even better.

So, what's new?

- Everything is now in one place – all SEND Local Offer information can be found on Rainbow Resource, rather than being split between the Council website and Rainbow Resource
- A home page video to help new visitors get the best out of their journey around the site
- Information is now provided in age categories (0 – 5 years, 5 – 11 years etc.) – something that was important to parent carers we consulted
- Updated design and improved navigation to help customers find the information they need quickly and easily
- Parents and young people can now apply online for their Rainbow Resource scheme card online in a matter of minutes; no more filling in and posting paper forms!

Take a look at the new site here www.rainbowresource.org.uk and let us know what you think. There is a feedback facility on the website, or you can email the team at P_C_comms@bathnes.gov.uk

A promotional banner for Rainbow Resource. At the top left is the Rainbow Resource logo. To its right, the text reads 'Your new Rainbow Resource is here!'. Below this is a collage of three images: a child in a wheelchair, a family of four, and a child blowing a bubble. A dark grey box with white text asks 'Do you have a child with a special educational need or disability?'. At the bottom, there is a small circular icon with a red 'X', the text 'Rainbow Resource has the information you need', and a light blue button with the website address 'www.rainbowresource.org.uk'.
