Welcome!

Welcome to this month's edition of the CYPN newsletter. My aim is to provide members with information regarding meetings, events, training, consultations and developments to ensure that the sector is informed and kept up to date at a local and national level.

We are now in October and it's really feeling Autumnal. I'm loving the clear skies and autumn colours; perfect weather for blowing away the cobwebs in the mornings 😊

Erik Mesel joined us for our network meeting last week and he offered some very interesting thoughts for building on our collaboration as a network. You can find minutes, a copy of his presentation and details of the meeting on the next page.

If you have any information that you would like included in future e-bulletins or anything else I can help with then please contact me: gilly@bathareaplayproject.co.uk

National News & information

Fundraising Regulator 'completely overhauls' Code of Fundraising Practice

The Fundraising Regulator has published a "completely overhauled" version of the *Code of Fundraising Practice* and is calling on charities to share their views on the draft document. The new version of the code is subject to consultation until 16 November. It has been designed to be more accessible and simpler to navigate.

Local & Regional News & information

B&NES Young stars award

The Young Stars Award is being launched across B&NES to recognise and celebrate the outstanding achievements of extraordinary young people in the region. During October and November residents, schools and organisations across B&NES are being asked to nominate a young person who they feel is worthy of such an award and receive the recognition they deserve. Nomination forms are available online at: www.bathnes.gov.uk/ouryoungstars

B&NES Carers' Centre urgently needs your help! The INVEST project is ending in Spring 2019 and we need 30 more referrals to ensure there will be future projects to support Young Adult Carers in your local area. The INVEST project was created for young adult carers aged 17-25 who live in B&NES. The project supports carers to make positive choices, gain employment; access higher education; start volunteering and engage in social opportunities to improve their health and well-being. Those taking part in the project can have 1:1 sessions with our Young Adult Carers' Officer, working towards achieving their goals. The INVEST project gives Young Adult Carers' a wide range of social opportunities and in the past this has included ice-skating, bowling and trips to festivals. Please email laura.perry@banescarerscentre.org.uk or phone 01761431388 to discuss the project or make a referral.

Joint Strategic Needs Assessment (JSNA)

For information, facts and figures about B&NES, visit the Joint Strategic Needs Assessment (JSNA) pages on the Council's website. This is designed to be the single portal for facts, figures and intelligence about our local area, its communities and its population. It has been developed to be used by anyone who has an interest in or makes decisions about B&NES. It is also useful for providing evidence for funding applications. Find out [more](#).

B&NES Consultation:

DfE have launched a consultation exercise draft RSE guidelines. The guidelines are available [here](#) and consultation available [here](#). They are seeking specific feedback on the following areas:

- Relationships education
- Physical health and wellbeing
- Delivery and teaching strategies
- Financial education
- *Relationships and sex education
- * Engaging with parents and the wider community
- *Special Educational Needs and Disabilities
- * School support

We'd like a collective response from stakeholders across the Council and I would really appreciate your feedback on any of these areas that are relevant to your work/interest so I can collate a response.

*The closing date for submissions is **7th November 2018**, so it would be great if you could give me any feedback by **Friday 19th October** so I can have time to draft the response. Do get in touch if you have any queries or questions and feel free to cascade this information to colleagues.*
