Dear Nick

Friends of Deri Woods – Goat Field & Deri Woods

Good morning, I hope you are well.

I write to say thank you and your team for all the work they do in Goat Field and Deri Woods, it is much appreciated.

At our last Council meeting, to ensure we are both on the same page, I have been asked to set out the responsibilities for works in Goat Field & Deri Woods as follows:

Works not requiring consent of the Council.

- Maintenance of paths, wooden bridge, steps and fences

- Minor repairs

- Bird boxes and wildlife

- Maintenance of benches

- Removing dead, dangerous, diseased trees that have fallen
(within FODW capability and qualifications)

- Clearing views from benches (including removing or reducing trees
with consent from the Town Clerk)

- Vegetation management including cutting encroaching tree branches,
brambles and thinning non-native trees with consent
from the Town Clerk.

- Renovation of leaky dam

- Works included on the Annual Work Plan which has been agreed with
the Council.

Works that do require consent from the Council.

Any tree felling or removal.

A main contractor will complete any major works.

Any changes in infrastructure

Any projects not being part of general maintenance

All instructions from the Council are to come via the Town Clerk.

I hope that all makes sense.

The council does have a leaf blower and I will arrange for this to be delivered to you asap.

Kind regards.
