

The Hearse Song - Rusty Cage

Intro: Dm A7 Dm A7

Dm A7
 Don't ever laugh as a Hearse goes by, for you may be the next to die
 Dm A7
 They wrap you up in bloody sheets, to drop you six feet underneath
 Dm A7
 They put you in a pinewood box, and cover you up with dirt and rocks
 Dm A7
 It all goes well for about a week, and then your coffin be-gins to leak...

Dm
 And the worms crawl in, the worms crawl out
 A7
 The worms play pinochle on your snout
 Dm
 They eat your eyes; they eat your nose
 A7
 As you begin to decompose
 Dm A7 Dm
 A slimy beetle with demon's eyes, chews through your stomach and out your sides
 Dm A7 Dm
 Your stomach turns to rancid grease, and puss pours out like melted cheese
 Dm A7 Dm
 You spread it on a slice of bread, and that's what you'll eat when your dead...

Dm
 And the worms crawl out, the worms crawl in
 A7
 The worms that crawl in are lean and thin
 Dm
 The ones that crawl out are fat and stout
 A7
 Your eyes fall in, and your hair falls out

Dm A7 Dm
 Your brain turns into maggot pie, your liver starts to liquify
 Dm A7 Dm
 And for the living all is well, as you sink further into hell
 Dm
 And the things rise up to drag you down,
 A7
 Into the fire where you will dwell
 Dm
 Your skin melts off as you descend
 A7
 And Satan tears you limb from limb
 Dm A7
 Your suffering will never end...

Dm
 And the worms crawl in, the worms crawl out
 A7
 They'll eat your guts and then shit them out
 Dm
 And when your bones begin to rot
 A7 A7 A7
 The worms remain, but you do not...

Dm A7
 So, don't ever laugh as a Hearse goes by, for some day you'll be the one to die
 Dm A7 Dm
 And when death brings its cold despair, ask yourself, will anyone care?
