

# Don't Think Twice, It's Alright – Bob Dylan

C G7 Am F C G7  
It ain't no use to sit and wonder why, babe. If'n you don't know by now

C G7 Am F C G7  
It ain't no use to sit and wonder why, babe. If'n you don't know by now

C G7 Am D7 G7  
And it ain't no use to sit and wonder why, babe. It'll never do some-how

C C7 F D7  
When your rooster crows at the break of dawn, look out your window and I'll be gone

C G7 Am F C G7 C /  
You're the reason I'm a-traveling on. But don't think twice, it's al-right

C G7 Am F C G7  
It ain't no use to sit and wonder why, babe. If'n you don't know by now

C G7 Am F C G7  
And it ain't no use in turning on your light, babe. That light I never knowed

C G7 Am D7 G7  
And it ain't no use in turning on your light, babe. I'm on the dark side of the road

C C7 F D7  
But I wish there was somethin' you would do or say. To try and make me change my mind and stay

C G7 Am F C G7 C /  
But we never did too much talking any-way. But don't think twice, it's al-right

C G7 Am F C G7  
It ain't no use to sit and wonder why, babe. If'n you don't know by now

C G7 Am F C G7  
So, it ain't no use in calling out my name, gal. Like you never done be-fore

C G7 Am D7 G7  
And it ain't no use in calling out my name, gal. I can't hear you any-more

C C7 F D7  
I'm a-thinking and a-wonderin', walking down the road. I once loved a woman, a child, I'm told

C G7 Am F C G7 C /  
I give her my heart, but she wanted my soul. But don't think twice, it's al-right

C G7 Am F C G7  
It ain't no use to sit and wonder why, babe. If'n you don't know by now

C G7 Am F C G7  
So looo-ong honey, babe. Where I'm bound, I can't tell

C G7 Am D7 G7  
Goodbye's too good a word, babe. So, I'll just say, "Fare thee well"

C C7 F D7  
I ain't a-saying you treated me unkind. You could've done better but I don't mind

C G7 Am F C G7 C /  
You just kinda wasted my precious time. But don't think twice, it's al-right

C G7 Am F C G7 C  
It ain't no use to sit and wonder why, babe. If'n you don't know by now
