Happiness, happiness,

D7 G
The greatest gift that I possess

I thank the Lord that I've been blessed

D G
With more than my share of happiness

D7 G
And I'm the luckiest human in the human race

I've got no silver and I've got no gold

D G
But I've got happiness in my soul

G C
Happiness to me is an ocean tide

D7 G
Or a sunset fading on a mountain side

G C
A big old heaven full of stars up above

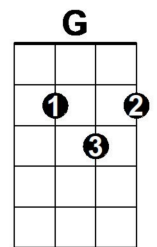

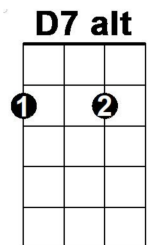

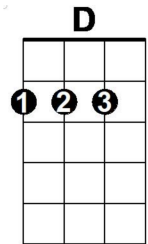

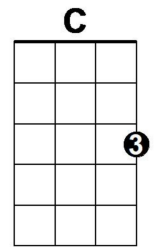

D G
When I'm in the arms of the one I love

G C
Oh, Happiness, happiness,

D7 G
The greatest gift that I possess

G C
I thank the Lord that I've been blessed

D G
With more than my share of happiness

G C
Happiness is a field of grain
D G
Turning its face to the falling rain
G C
I can see it in the sunshine, I breathe it in the air
D G
Happiness, happiness everywhere

G C
A wise old man told me one time
D G
Happiness is a frame of mind

When you go to measuring a man's success
D G
Don't count money count happiness

G C
Oh, Happiness, happiness,
D7 G
The greatest gift that I possess
G C
I thank the Lord that I've been blessed
D G
With more than my share of happiness

G C
Oh, Happiness, happiness,
D7 G
The greatest gift that I possess

I thank the Lord that I've been blessed
D G
With more than my share of happiness
