Written by Joe Gilmour for the Doune Ukulele Group

G A  
~~I'm a ukulele player, I like to sing and strum~~  
C D G G  
~~It's a lot of fun~~

G A  
I'm a ukulele player, I like to sing and strum  
C D G G  
It's a lot of fun

G A  
As a ukulele player, I may not be the best  
C D G  
But I don't get stressed

Em C G  
If I wake up in the morning and I'm feeling out of place

C G A D  
I play my uku-lele and put a smile upon my face

G A  
'Cause ukuleles are good for you, let me explain

C G A D  
They fill you up with confidence and stimulate your brain  
G A

So, I play ukulele and let those happy hormones flow

C D G G  
I'm all a-glow

G A  
I'm a ukulele player, as a hobby it's second to none  
C D G G  
It's for every-one

Em C G  
I grab my ukulele and I practice every day

C G A D  
I often get re-quests, but I play it any-way!

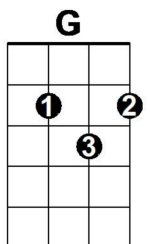

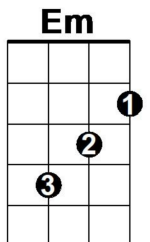

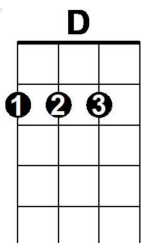

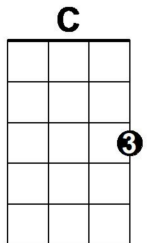

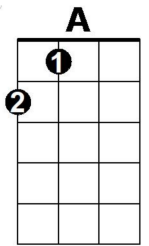

G A  
Now, I'm a ukulele player, I may make some mistakes  
C D G G  
It still sounds great!

Em C G  
I play it with my uke group; I play when I'm a-lone

C G A D  
I play for friends and family; you can often hear them groan!

G A  
I'm a ukulele player, I know all the words

C D G G  
But I'm still learning chords

Em C G  
I don't play keyboard; I don't play the harp  
C G A D  
I play a little instrument that looks like a gui-tar  
G A  
Now, I play ukulele, but that's not all I do...  
C D G 2,3,4  
I play ka-zoo!

*(Instrumental, ukes + kazoo)*

Yes, I'm a ukulele player, I'll play it 'til I drop  
C D G 2,3,4  
I'll never stop
