

Super Trouper – ABBA

Intro: C ///

Tonight, the super troupers beams are gonna blind me, but I won't feel blue,
like I always do, 'cause somewhere in the crowd there's you

I was sick and tired of everything, When I called you last night from Glasgow
All I do is eat and sleep and sing, wishing every show was the last show

So, imagine I was glad to hear you're coming, suddenly I feel al-right
And it's gonna be so different, when I'm on the stage to-night

Tonight, the super troupers lights are gonna find me, shining like the sun
Smiling, having fun. Feeling like a number one

Tonight, the super troupers beams are gonna blind me, but I won't feel blue,
like I always do, 'cause somewhere in the crowd there's you

Facing twenty thousand of your friends, how can anyone be so lonely
Part of a success that never ends, still I'm thinking about you only

There are moments when I think I'm going crazy, but it's gonna be al-right
Everything will be so different when I'm on the stage to-night

Tonight, the super troupers lights are gonna find me, shining like the sun
Smiling, having fun. Feeling like a number one
