Forever Standing With Us - Thank you!

Dear Supporters,

I would like to thank you for your contribution of £194.33 to the Poppy Appeal.

The Royal British Legion was founded by veterans after the First World War. A century on from the start of that conflict, we are still helping today's Service personnel, veterans, and their families in almost every aspect of daily life. We also champion Remembrance, safeguarding the memory of those who have given their lives for our freedom through Remembrance education and events. The Poppy Appeal is the major source of revenue for the Royal British Legion and every penny donated makes a difference to the lives of our beneficiaries.

Over the last year, you helped us to respond to more than **30,000** requests for support. Thanks to your help our specialist debt and money advice team supported **2,000** beneficiaries secure **£10 million**, helping them to access benefits and grants or negotiating debt relief – a 15% uplift on last year. You aided **1,170** people who contacted our War Pensions and Armed Forces Compensation service for support and you supported **2,084** people through our Branch Community Support service. You also helped us make **59,560** buddy calls to **17,990** members of the Armed Forces community as part of the Branch Community Support programme.
